KEY TRANSIT FACTORS

☿ Mercury △ Trine ♁ natal Chiron ★

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

☿ Mercury ☍ Opposition ♃ natal Jupiter ★

You're saying more than you mean to right now, and people are taking your words literally when you're just thinking out loud. Your **tendency to exaggerate or overstate** what you actually know is getting you into awkward conversations. Over the coming weeks, watch yourself before you commit to big claims or make promises you haven't thought through completely.

☿ Mercury △ Trine ♄ natal Saturn ★

Your thinking becomes **organized and practical** right now, making it easy to break down complicated problems into manageable steps. You find yourself naturally planning ahead and catching details you usually miss, which helps you avoid mistakes at work or in personal projects. This is a good time to handle administrative tasks, write things down clearly, or have difficult conversations because your words come out measured and straightforward.

☿ Mercury ☌ Conjunction ☉ natal Sun ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

☾ Moon ♁ Quincunx ☉ natal Sun

Right now your mood and your sense of purpose are out of sync, so you feel restless even when things are going well. You might **second-guess decisions you normally feel confident about**, or find yourself irritable with people who don't understand what you need. These feelings will pass in a week or two, but until then you'll work better if you accept the discomfort rather than trying to fix it.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☌ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♉ Taurus · Day 11 / 30 · First Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
