## KEY TRANSIT FACTORS

### ☾ Moon ☐ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

### ☉ Sun ♂ Conjunction ♀ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ♂ Mars ∟ Semi sextile ♋ natal NNode

These days you feel more **direct and purposeful about pursuing what matters to you**, without the usual second-guessing. *Mars* is giving you a practical push to act on the interests and connections that actually fit who you are. Over the coming weeks, small steps forward in the right direction will feel easier and more natural than they usually do.

### ☉ Sun ∟ Semi sextile ♋ natal NNode

You find yourself **naturally drawn toward people and situations that feel meaningful** without having to force it or overthink things. Small conversations lead somewhere real, and you say the right thing at the right moment without planning it out first. This light support from *the Sun* to your *North Node* makes the path forward feel a little easier than usual while it lasts.

### ♂ Mars ∟ Semi sextile ♂ natal Mars

These days you're finding it easier to **take action on things you've been putting off**, whether that's a project at work or a personal goal you've wanted to tackle. Your motivation feels steadier than usual, and you're not fighting yourself as much when it comes to getting started on difficult tasks. Over the coming weeks, this quieter boost to your initiative can help you build real momentum without burning out.

### ☉ Sun ☐ Square ♀ natal Mars

Right now you're running into more friction than usual when you try to take action. People push back harder against your ideas, and you feel like you have to fight for things that normally come easily, which makes you **impatient and quick to argue**. These clashes aren't random — they're showing you where your confidence has gotten ahead of what you've actually prepared or thought through.

### ♀ Mercury Rx • ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

### ☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

### ☉ Sun \* Sextile ☌ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### LUNAR DAY

Moon in ♏ Scorpio · Day 30 / 30 · Waning Crescent

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

### CLOTHING & JEWELRY
