## KEY TRANSIT FACTORS

### ♂ Mars ☌ Conjunction ♃ natal Jupiter

You feel **more confident taking action** on things you have been thinking about for weeks. Your appetite for challenges grows right now, and you are willing to push harder than usual at work or in personal projects. Over the coming weeks, watch that you don't overcommit or say yes to everything just because you feel capable of doing it.

### ♂ Mars \* Sextile ♄ natal Chiron

Over the coming weeks, you find it easier to **talk directly about past hurts without getting defensive**. You have more patience for difficult conversations and can explain what went wrong without blaming yourself or others. This is a good time to address old wounds with people you care about because your words land differently right now.

### ♇ Pluto △ Trine ☾ natal Moon

These days you find it easier to **act on what you actually feel** instead of hiding or dismissing your emotions. People around you notice you seem more direct and honest about what matters to you, and they tend to respond well to this straightforwardness. Over the coming weeks, situations that once felt emotionally stuck start to move forward because you're not holding back anymore.

### ♄ Saturn ∟ Semi sextile ☉ natal Sun

Right now you find it easier to follow through on commitments without burning out, because a quiet steadiness is backing your efforts. Your confidence stays realistic instead of swinging between overconfidence and doubt, which means you make **fewer impulsive decisions** and actually stick to what matters. This is a practical window where showing up consistently—at work, in your relationships, or on personal goals—feels natural and manageable rather than forced.

### ♄ Chiron □ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

### ♄ Saturn Rx · ♏ Scorpio

Deep psychological structures — the ways you manage power, control, and shared resources — are under quiet but significant review right now. Commitments made at depth, financial obligations, or emotional contracts with others demand careful attention. Unacknowledged patterns of control or avoidance are being surfaced for honest examination.

### ☉ Sun ☌ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

☾ Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

LUNAR DAY

Moon in ♎ Libra · Day 10 / 30 · First Quarter

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
