KEY DATE

☿ Mercury enters ♓ Pisces

Mercury in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

KEY TRANSIT FACTORS

☿ Mercury * Sextile ☿ natal Mercury

Your thinking feels clearer right now, and you find yourself **explaining things in ways that actually land with people**. You're picking up on details you normally miss and making smart connections between ideas without forcing it. Over the coming weeks, conversations tend to go smoothly and you get your point across without friction.

☾ Moon ☐ Square ♄ natal Saturn

Right now you feel **emotionally heavy and withdrawn**, as if your normal mood swings have turned sluggish and grey. You notice yourself avoiding people, cancelling plans, and sitting with feelings of inadequacy that feel hard to shake. Over the coming weeks, this low mood will likely push you to look honestly at what you actually need instead of what you think you should want.

♃ Jupiter △ Trine ☾ natal Moon

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

☉ Sun ☐ Square ☾ natal Moon

Right now you feel at odds with what you actually need, making it hard to settle into anything or feel comfortable in your own routine. You might **snap at people who are trying to help you**, or find yourself irritable about small practical things like meals or sleep schedules. Over the coming weeks, this mismatch between what you think you should do and what your body is asking for will push you to pay attention to what you're actually ignoring.

☾ Moon qx Quincunx ☿ natal Mercury

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☉ Sun ☾ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☾ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☾ Moon ☐ Square ♿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

LUNAR DAY

Moon in ♊ Gemini · Day 9 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Sagittarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
