KEY DATE

♂ Mars enters ♋ Cancer

Mars in *Cancer* shifts how people push forward — instead of charging ahead, they move with **more caution and emotion**, checking in with themselves and others before acting. At work and in relationships, you'll notice people becoming **protective of what matters**, defending ideas or loved ones rather than starting new fights, and taking longer to make decisions because feelings are wrapped up in every choice. This transit typically brings **slower progress but steadier effort**, since *Mars* in *Cancer* keeps going even when tired, fuelled by loyalty and what feels personal rather than pure ambition.

KEY TRANSIT FACTORS

♊ NNode * Sextile ♂ natal Mars ★

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

☉ Sun Δ Trine ♄ natal Saturn ★

Right now you're finding it easier to stick with difficult tasks without getting frustrated or distracted. Your **practical patience** is stronger than usual, which means you can push through boring or repetitive work without burning out. Over the coming weeks, this is a good time to tackle projects that need steady effort rather than sudden bursts of energy.

♂ Mars ☌ Opposition ♃ natal Mercury

Your thinking becomes **reactive and argumentative** while this lasts, making you quick to contradict others or jump to conclusions without listening first. You may find yourself in more conflicts at work or at home because you're speaking faster than you're thinking, and people react badly to your bluntness. The psychological cost is real: you feel frustrated that no one understands your point, when really the problem is you're not giving yourself time to explain it clearly.

♀ Venus □ Square ♂ natal Mars

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

♀ Venus qx Quincunx ♊ natal NNode

Right now you are noticing small misalignments between what you want socially and what actually fits your growth. You might find yourself attracting people or situations that feel pleasant on the surface but slightly off-track from where you are heading. Over the coming weeks, you will do better by checking in with yourself about whether new connections or social choices actually move you forward or simply feel comfortable in the moment.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☾ Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

☾ Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.
