## KEY DATE

### ☉ Sun enters ♈ Aries

*Sun* in *Aries* brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

## KEY TRANSIT FACTORS

### ☾ Moon ☐ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

### ♂ Mars ☐ Square ☾ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

### ☾ Moon ☐ Square ♂ Mars ★

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

### ♀ Venus ☐ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

### ♂ Mars △ Trine ♊ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

### ♁ Lilith ♂ Conjunction ♁ natal Lilith

Right now you're more aware of where you've been bending yourself to fit in with others, and you feel less willing to do it. You're noticing situations where you've accepted less than you want, and **you're more likely to speak up or remove yourself instead of staying quiet**. Over the coming weeks, expect friction in relationships or settings where you've historically compromised on what matters to you.

### ☉ Sun \* Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between *Sun* and *Pluto* means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.

### ☾ Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.
