## KEY TRANSIT FACTORS

### ♇ Pluto ∟ Semi sextile ☿ natal Mercury

Your thinking becomes **sharper and more direct** while this transit is active, and you find yourself cutting through confusion to get to what actually matters. People respond well to your communication right now because you speak with real conviction and skip the unnecessary parts. Over the coming weeks, you may notice conversations go deeper than usual and that others take your words seriously.

### ☾ Moon △ Trine ♇ natal Pluto

Right now you're noticing that difficult conversations feel less scary, and you're able to say what you actually think without overthinking it. Your **emotional honesty** is flowing more naturally, which means people around you are responding better to what you share. Over the coming weeks, this ease with your own feelings can help you sort through old patterns that usually trip you up.

### ☾ Moon \* Sextile ♆ natal Neptune

Your **intuition about other people becomes unusually reliable** right now, and you pick up on what's really going on beneath the surface without needing explanations. You feel more patient with emotional mess, both your own and others', because you're naturally more accepting of complicated feelings. These days you can actually listen without trying to fix or judge, which makes people around you relax and open up more than usual.

### ♇ Pluto ∟ Semi sextile ☉ natal Sun

You're finding it easier to make quiet changes in how you present yourself to others without needing to overhaul everything at once. **Small shifts in your confidence** are happening naturally—you might speak up more in meetings or adjust how you spend your time in ways that feel right. These practical adjustments are laying groundwork for bigger things, and you're doing it at a pace that doesn't exhaust you.

### ♄ Saturn △ Trine ♅ natal Uranus

Right now you find it easier to turn your unusual ideas into actual plans that work. You can **think in practical steps** without losing what makes your vision interesting or different. This period is ideal for starting projects that need both creativity and solid organization, because your brain is naturally balancing both at once.

### ♄ Saturn Rx · ♓ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

LUNAR DAY

Moon in ♒ Aquarius · Day 12 / 30 · Waxing Gibbous

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
