KEY TRANSIT FACTORS

☉ Sun ☿ Opposition ♃ Jupiter ★

Right now you are more likely to overcommit and say yes to things you cannot actually do. Your confidence is high but your realistic assessment of time and resources is low, which creates practical problems down the line. The gap between what you promise and what you deliver becomes **harder to hide**, and people around you start to notice the disconnect.

♅ Uranus △ Trine ♁ natal NNode

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

♅ Uranus * Sextile ♂ natal Mars

You're finding it easier to take action on ideas that normally feel too risky or unconventional, and this **experimental confidence** is working in your favour right now. Your usual drive to get things done pairs well with a sudden willingness to try new approaches, so you can actually complete projects you've been sitting on. Over the coming weeks, people notice you're more direct and inventive about solving problems instead of relying on the same old methods.

♄ Saturn ☿ Quincunx ♁ natal NNode

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

♄ Saturn □ Square ♂ natal Mars

Right now you're running into delays and resistance whenever you try to push forward on anything. Your usual speed and confidence feel blocked, and you may notice **frustration building because things take twice as long as you expect**. This period is teaching you that forcing your way through doesn't work, though that lesson feels uncomfortable while you're living it.

♃ Jupiter * Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♂ Mars Rx • ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

♃ **Jupiter Rx** · ♎ **Libra**

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

☾ **Moon** ∟ **Semi sextile** ☿ **Mercury**

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

☾ **Moon** ∟ **Semi sextile** ♄ **Saturn**

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The *Moon* and *Saturn* aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.
