KEY TRANSIT FACTORS

♇ Pluto * Sextile ♆ natal Neptune *

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♄ Chiron qx Quincunx ♇ natal Pluto

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

♄ Chiron qx Quincunx ♆ natal Neptune

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

♄ Saturn ☾ Opposition ♆ natal Neptune

Right now you are running into the gap between what you wish were true and what actually is, and it feels frustrating. You find yourself **doubting your own judgment** about situations that once seemed clear, or noticing that plans you had built on vague hopes are collapsing under practical pressure. Over the coming weeks, this clash between *Saturn* and *Neptune* will keep forcing you to choose between staying comfortable in uncertainty or doing the harder work of getting real information and making concrete decisions.

♄ Saturn Δ Trine ♇ natal Pluto

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ∠ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☾ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

LUNAR DAY

Moon in ♋ Pisces · Day 3 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
