KEY TRANSIT FACTORS

♇ Pluto * Sextile ♆ natal Neptune *

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

☾ Moon ☐ Square ♂ Mars *

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

♀ Venus ☐ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

♄ Saturn ☒ Quincunx ♀ natal Venus

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

♆ Neptune △ Trine ♀ natal Venus

These days you're drawn to people and situations that feel emotionally comforting, and others respond to your **gentler, more accepting presence**. Your social interactions become less demanding because you're naturally more willing to go along with what people suggest rather than pushing your own preferences. Over the coming weeks this softness in how you show up can deepen your existing relationships, though you'll want to notice if you're avoiding saying what you actually want.

♀ Venus ☐ Square ♅ natal Uranus

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

☿ Mercury Rx · ♊ Gemini

Information overload and communication mix-ups are more likely right now than at other times. You may find yourself re-reading, misunderstanding, or having to repeat conversations that should have been straightforward. Slow down with written communications in particular — errors sneak through when you feel most certain.

☉ Sun ☌ Conjunction ☌ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

☉ Sun ☌ Semi sextile ☌ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.
