KEY TRANSIT FACTORS

☉ Sun ♂ Conjunction ☿ natal Mercury · peak 22 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

☿ Mercury ♂ Conjunction ☉ natal Sun · peak 7 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♄ Saturn ♂ Opposition ♀ natal Venus · peak 31 Dec

Right now you feel less interested in socializing and more critical of the people close to you, which can make relationships feel colder or more distant than usual. You may notice yourself **pulling back from affection** or feeling reluctant to spend money on things that normally bring you pleasure. These days the cost of maintaining connections feels heavier, and you might question whether certain friendships or partnerships are actually worth the effort.

♄ Chiron ★ Sextile ♁ natal Uranus · peak 1 Dec

You find yourself **more willing to experiment with new approaches** to problems that have frustrated you for a while, and your experiments actually work out better than you expected. Your friends or colleagues notice that you're suddenly more open to their unconventional ideas instead of dismissing them. Over the coming weeks, this combination of curiosity and practical luck means you can make real progress on something you've wanted to change about yourself or your situation.

♄ Chiron △ Trine ☾ natal Moon · peak 1 Dec

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

♄ Chiron □ Square ♆ natal Neptune · peak 31 Dec

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

♄ Chiron ∟ Semi sextile ♇ natal Pluto · peak 31 Dec

Over the coming weeks, you find it easier to talk about difficult experiences without getting stuck in blame or shame. You notice yourself **mentioning hard things from your past in casual conversation**, then moving forward naturally instead of dwelling. This small shift lets you build real connections with people who appreciate your honesty.

♊ NNode ☿ Conjunction ♂ natal Mars · peak 1 Dec

Over the coming weeks, you're more likely to **act on something you've been thinking about instead of sitting with it**. You feel a natural push to test your limits and take direct steps toward what matters to you. This isn't recklessness—it's your ability to move forward becoming sharper, so use it for practical goals rather than impulsive decisions.

♊ NNode * Sextile ♋ natal NNode · peak 1 Dec

Over the coming weeks, you find it easier to **say yes to opportunities that align with what you actually want**, without overthinking or second-guessing yourself. People around you seem more willing to support your decisions, and doors open with less resistance than usual. This is a practical time to move forward on plans you've been considering, because your timing feels genuinely right.

♃ Jupiter △ Trine ☉ natal Sun · peak 13 Dec

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

♇ Pluto ☿ Conjunction ♂ natal Mars · peak 1 Dec

You feel a sharp increase in your need to control situations and push your agenda forward, making you more confrontational than usual. At the moment, you're likely to act on frustrations you've been sitting with, and small disagreements can escalate quickly because you're not filtering your reactions. **This directness and intensity** can clear the air or damage relationships, depending on whether you're channeling it into practical problems or just venting anger.

♇ Pluto * Sextile ♋ natal NNode · peak 1 Dec

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

♆ Neptune ♁ Quincunx ♄ natal Chiron · peak 1 Dec

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

♆ Neptune □ Square ♃ natal Jupiter · peak 1 Dec

Right now you are **overestimating what you can achieve** and making commitments based on wishful thinking instead of realistic assessment. Your usual confidence in your plans is being clouded by *Neptune*, so promises you make or goals you set are likely to fall apart once you try to execute them. Over the coming weeks, expect practical disappointment and the need to scale back or rebuild what you've rashly agreed to.

♄ Saturn ☿ Conjunction ♁ natal Lilith · peak 1 Dec

While this lasts, you become much more aware of the rules you've been breaking or ignoring, and you feel pressure to either follow them or admit you won't. You experience **reluctance to pretend anymore**—social expectations that never bothered you before suddenly feel heavy and false. Over the coming weeks, you'll likely make a choice about which boundaries you actually respect and which ones you're ready to stop hiding behind.

♂ Mars Rx · ♊ Gemini

Energy scatters across too many directions right now, making sustained effort on a single goal unusually difficult. Arguments or miscommunications can flare up without clear cause, and the frustration of divided attention builds quickly. Choose one or two priorities and protect them from the rest during this period.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

LUNATIONS

○ Full Moon · Saturday, 11 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Monday, 27 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

KEY DATES

Wed, 1 Dec † Chiron ✱ Sextile † natal Uranus

‡ Chiron △ Trine ☽ natal Moon

Wed, 8 Dec ♃ Mercury enters ♑ Capricorn

♀ Venus enters ♏ Scorpio

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sat, 11 Dec Full Moon in Gemini

Tue, 14 Dec ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Thu, 23 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Mon, 27 Dec New Moon in Capricorn

Fri, 31 Dec ♃ Mercury stations Retrograde

‡ Chiron stations Retrograde

♄ Saturn ☉ Opposition ♀ natal Venus

‡ Chiron □ Square ♃ natal Neptune

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.
