KEY TRANSIT FACTORS

♆ Neptune ☌ Quincunx ☾ natal Moon · peak 30 Sep ★

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

♄ Saturn * Sextile ♇ natal Pluto · peak 6 Sep

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

♇ Pluto ☐ Square ☾ natal Moon · peak 30 Sep

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 8 Sep

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

♄ Saturn △ Trine ♆ natal Neptune · peak 5 Sep

Right now you are able to **turn your daydreams into actual plans** without losing the creative spark that usually gets lost in paperwork. Your intuition becomes practical instead of vague, so you can trust those gut feelings enough to act on them. Over the coming weeks, this is the time to start that project you have been imagining but never quite beginning.

♇ Pluto ☐ Square ♅ natal Uranus · peak 30 Sep

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

♃ Neptune * Sextile ♂ natal Mars · peak 30 Sep

You find yourself **acting on your goals with less resistance and more creative confidence** while this transit lasts. Your usual drive to push forward softens into something more intuitive, and you accomplish things by feeling your way through obstacles rather than bulldozing past them. Over the coming weeks, people respond better to this quieter approach, and you discover that backing off the gas pedal actually gets you further.

♃ Neptune ♂ Conjunction ♃ natal NNode · peak 30 Sep

These days you find yourself **drawn to people and situations that feel meaningful without quite knowing why**. Your usual sense of direction gets softer, and you may second-guess choices you normally feel clear about. Over the coming weeks, pay attention to what actually pulls your interest—this is real information, even if it doesn't make logical sense right now.

♅ Uranus ♂ Conjunction ♃ natal Lilith · peak 30 Sep

You are less willing to go along with what people expect from you right now, and you may say or do things that surprise people around you. You feel a stronger pull toward your own preferences, even when they break the rules or disappoint others. This shift can create friction in relationships or work, but it also gives you a chance to set clearer boundaries about what you actually want.

♄ Saturn □ Square ♅ natal Uranus · peak 1 Sep

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

♄ Saturn □ Square ♁ natal Moon · peak 1 Sep

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

♇ Pluto △ Trine ♃ natal Neptune · peak 30 Sep

Right now you find it easier to **see through confusion and detect what is actually true in complicated situations**. Your instinct about people and motives sharpens, and you can sense patterns others miss without needing proof. Over the coming weeks this clarity helps you make decisions with more confidence, even when the full picture is not yet visible.

♇ Pluto * Sextile ♇ natal Pluto · peak 30 Sep

You find it easier right now to **let go of situations that no longer serve you** without drama or regret. *Pluto* transiting in *sextile* to your natal *Pluto* gives you psychological permission to close chapters cleanly and move forward. Over the coming weeks you may notice you're making practical decisions about what stays and what goes with unusual clarity and calm.

♃ NNode ♃ Quincunx ☉ natal Sun · peak 1 Sep

These days you feel pulled between what you want to do and what feels like the right thing to do, and the two don't quite line up. You might find yourself **saying yes to commitments that don't actually match your real priorities**, then feeling frustrated when you realize what you've agreed to. Over the coming weeks, the practical answer is to slow down before you commit and check in honestly with yourself about what you actually want.

♄ Chiron □ Square ♂ natal Mars · peak 30 Sep

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

KEY DATES

Mon, 1 Sep Full Moon in Pisces

♄ Saturn □ Square ♅ natal Uranus

Fri, 5 Sep ♄ Saturn △ Trine ♆ natal Neptune

Sat, 6 Sep ♄ Saturn * Sextile ♇ natal Pluto

Fri, 12 Sep ♀ Mercury enters ♎ Libra

At work and in relationships, you'll notice people becoming more **concerned with fairness** and wanting input from others before moving forward. Mon, 15 Sep New Moon in Virgo

Sat, 20 Sep ♀ Venus enters ♎ Libra

Venus entering *Libra* tends to make people **more interested in balance** in their relationships, so you might find yourself paying attention to fairness and give-and-take in ways you didn't before. At work and in social settings, this shift often brings **better communication** — people speak up more clearly about what they want and listen better to others' opinions.
