♁ Lilith	in ♊ Gemini	26°56'07"	V

KEY TRANSIT FACTORS

♁ Chiron Δ Trine ♄ natal Saturn · peak 1 Jul ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♆ Neptune ∟ Semi sextile ♅ natal Uranus · peak 1 Jul ★

Your **imagination becomes practical** during this period, and ideas that normally stay stuck in your head suddenly feel doable. You find yourself sketching out plans for changes you want to make, whether that's rearranging your space or trying something new at work. This is a good window to turn those creative thoughts into actual steps forward, because right now your daydreams have real traction.

♆ Neptune ♁ Quincunx ☾ natal Moon · peak 1 Jul ★

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

♅ Uranus □ Square ♊ natal NNNode · peak 26 Jul

You feel restless about the direction you have been heading and suddenly want to break away from familiar patterns, even though people around you expect you to stay the course. This **urge to rebel against your own commitments** creates real friction in your relationships and work right now. Over the coming weeks, you will need to figure out whether you are running from something real or just chasing change for its own sake.

♅ Uranus ∟ Semi sextile ♂ natal Mars · peak 25 Jul

You're noticing small windows of **creative restlessness** that actually help you break old habits without major disruption. *Uranus* is gently nudging your *Mars* energy sideways, so instead of forcing big changes, you find yourself naturally trying different approaches to familiar problems. Over the coming weeks, you'll discover that your usual way of doing things has room for improvement, and you're willing to experiment in ways that feel refreshing rather than risky.

♁ Lilith ♂ Conjunction ♃ natal Jupiter · peak 14 Jul

You feel less interested in following rules right now, and you're more willing to say no to people who usually get their way with you. This can feel like freedom, but it also means you might overcommit to things that sound exciting or skip important practical steps because you're **chasing novelty and pushing boundaries**. Over the coming weeks, watch whether you're making real choices or just rebelling for the sake of it.

♄ Chiron ♂ Conjunction ☉ natal Sun · peak 1 Jul

Over the coming weeks you become more aware of the ways you've adapted yourself to please others, and you start to notice which of your natural strengths you've downplayed or hidden. This awareness can feel uncomfortable because it shows you how much energy you've spent managing other people's reactions instead of trusting your own judgment. The practical shift is that you'll catch yourself mid-compromise and feel genuine resistance, which gives you a real chance to make different choices about how much you bend.

♆ Neptune ♂ Conjunction ♇ natal Pluto · peak 1 Jul

You may notice that your usual sense of control over your circumstances feels less reliable right now. Small things that normally feel certain—how people will react to you, what you can depend on—start to seem **unclear or harder to predict**. This is a temporary period where you're more aware of how much you don't actually control, which can either sharpen your instincts or make you doubt your judgment.

♃ Jupiter ♌ Semi sextile ☾ natal Moon · peak 31 Jul

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

♆ Neptune * Sextile ♆ natal Neptune · peak 1 Jul

You find it easier right now to **notice patterns in your own thinking** without getting caught up in them. Your intuition about what people need from you becomes clearer, and you can offer support without losing yourself in their problems. Over the coming weeks, this practical clarity about emotional situations helps you make better choices about who and what deserves your time.

♁ NNode ♏ Quincunx ♁ natal NNode · peak 31 Jul

Over the coming weeks you notice a disconnect between what you think you should be doing and what actually feels right to you. Your **usual sense of direction becomes unclear**, and small decisions that normally feel straightforward now require more thought. This awkward mismatch between your plans and your instincts will settle once this period passes.

♁ NNode ♏ Quincunx ♂ natal Mars · peak 31 Jul

Over the coming weeks, you'll notice your usual way of taking action feels slightly off, as if what normally works requires a small adjustment. You might hesitate before speaking up or pushing forward, then suddenly act without your usual preparation, creating an awkward rhythm. This is a good time to notice where you act on instinct versus where you benefit from pausing to check your direction first.

♃ Jupiter ♏ Quincunx ♃ natal Uranus · peak 31 Jul

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

♄ Saturn ☐ Square ☉ natal Sun · peak 31 Jul

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

♄ Chiron ♂ Conjunction ♿ natal Mercury · peak 1 Jul

Right now you're noticing gaps in how you explain yourself to others, and conversations feel more awkward than usual. You're becoming **unusually aware of old patterns in the way you think and talk** — like repeated phrases or habits that never quite land. Over the coming weeks, this awareness can help you communicate more clearly if you slow down and listen to yourself first.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNATIONS

● New Moon · Wednesday, 4 Jul

in ♋ Cancer

emotional reset, home, inner security

in H6 — Health & Service

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

○ Full Moon · Wednesday, 18 Jul

in ♑ Capricorn

career results, ambition tested, authority reviewed

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

KEY DATES

Sun, 1 Jul ☿ Chiron ♂ Conjunction ☉ natal Sun

♆ Neptune ♂ Conjunction ♇ natal Pluto

♆ Neptune ✕ Sextile ♆ natal Neptune

☿ Chiron ♂ Conjunction ☿ natal Mercury

Tue, 3 Jul ♁ Lilith enters ♋ Cancer

Lilith in *Cancer* makes people **more protective of their space and boundaries**, especially at home or in close relationships — you'll notice yourself saying no more often or keeping distance from people who drain your energy. At work and in families, this transit brings up **unspoken resentment about care duties**, as people become aware they've been giving too much without getting support back. *Cancer's* influence means these tensions often show up through **withdrawn behaviour or quiet anger** rather than direct conversation, so naming what you actually need becomes the practical move forward.

Wed, 4 Jul ♂ Mars enters ♋ Cancer

New Moon in Cancer

Mars in *Cancer* shifts how people push forward — instead of charging ahead, they move with **more caution and emotion**, checking in with themselves and others before acting. At work and in relationships, you'll notice people becoming **protective of what matters**, defending ideas or loved ones rather than starting new fights, and taking longer to make decisions because feelings are wrapped up in every choice. This transit typically brings **slower progress but steadier effort**, since *Mars* in *Cancer* keeps going even when tired, fuelled by loyalty and what feels personal rather than pure ambition.

Sun, 8 Jul ♀ Venus enters ♍ Virgo

Venus in *Virgo* makes people **pickier about who and what they spend time on**, noticing small details that matter to them more than before. In relationships and at work, this shift brings **honest feedback** instead of smooth talk—people say what actually needs fixing rather than what sounds nice. Most notice they'd rather **organize their space, fix problems, and do real things** than go out or make grand gestures during this period.

Mon, 9 Jul ☿ Mercury enters ♌ Leo

♆ Neptune ♂ Conjunction ♇ natal Pluto

☿ Chiron ♂ Conjunction ☉ natal Sun

Mercury in *Leo* makes people talk more **directly and with confidence**, so conversations at work or home tend to feel bolder and less cautious than usual. When someone speaks up during this transit, they usually **want to be heard** and remembered, which means they pick words for impact rather than softness. In practice, this shows up as **clearer requests, firmer opinions**, and less apologizing—though it can also mean people interrupt more or push their point when they should listen.

Sat, 14 Jul ♁ Lilith ♂ Conjunction ♃ natal Jupiter

Sun, 15 Jul ♅ Uranus ☐ Square ♋ natal NNNode

Wed, 18 Jul Full Moon in Capricorn

Mon, 23 Jul ♁ Lilith ♂ Conjunction ♃ natal Jupiter

Tue, 24 Jul ☉ Sun enters ♌ Leo

The Sun entering Leo brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

Thu, 26 Jul ♅ Uranus ☐ Square ♋ natal NNNode

Sat, 28 Jul ☿ Mercury enters ♍ Virgo

Mercury entering *Virgo* sharpens how you **think and communicate** — your mind becomes more precise, you spot details you missed before, and you naturally organize information instead of leaving things vague. At work and in conversations, people tend to **speak more carefully**, ask better questions, and get frustrated faster with unclear explanations or messy

processes. Over the next few weeks, this transit pushes you toward **sorting things out** — whether that's cleaning up your schedule, fixing a system that never worked right, or finally having that direct talk you've been avoiding.

Tue, 31 Jul ♄ Saturn ☐ Square ☽ natal Sun
