KEY TRANSIT FACTORS

♂ Mars ☐ Square ☾ natal Moon · peak 10 Dec ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

☉ Sun ♂ Conjunction ☿ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

♃ Jupiter ☐ Square ♂ natal Mars · peak 29 Dec

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

♋ NNode ☐ Square ☾ natal Moon · peak 24 Dec

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

♃ Jupiter ☐ Quincunx ♋ natal NNode · peak 27 Dec

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

♄ Chiron ☐ Quincunx ♂ natal Mars · peak 5 Dec

Right now you're noticing that your usual way of pushing forward doesn't feel quite right, and small physical frustrations keep showing up where you'd normally feel confident. Your body might feel slightly off-beat with what your mind wants to do, making you **more aware of how you move and act** than usual. Over the coming weeks, this mismatch between intention and execution can actually help you spot habits that have been holding you back if you pay attention to what feels clunky.

♁ NNode □ Square ♄ natal Uranus · peak 17 Dec

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

♁ Lilith ♂ Conjunction ♄ natal Saturn · peak 28 Dec

Right now you are more aware of the rules and limits you have accepted in your life, and you may feel **resentful about obligations that once felt normal**. You are questioning whether certain responsibilities actually belong to you or whether you have been following someone else's expectations without thinking. These days this can show up as resistance to authority figures or a blunt honesty about what you will and will not do anymore.

♁ Chiron □ Square ♁ natal NNode · peak 6 Dec

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

♄ Uranus □ Square ♇ natal Pluto · peak 31 Dec

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♄ Uranus ♁ Quincunx ♃ natal Neptune · peak 31 Dec

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♁ NNode * Sextile ♃ natal Neptune · peak 1 Dec

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♁ NNode △ Trine ♇ natal Pluto · peak 1 Dec

You find it easier right now to **face difficult truths about yourself without feeling defensive**. People respond well when you talk about what you actually want instead of what you think you should want. Over the coming weeks, this honesty opens doors that staying quiet would have kept closed.

♁ Chiron △ Trine ☾ natal Moon · peak 31 Dec

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

♇ Pluto △ Trine ♀ natal Venus · peak 31 Dec

You find it easier to say what you actually want in your relationships right now, and people respond well to your honesty. Your **natural magnetism increases** — you draw others toward you without trying hard or performing. Over the coming weeks, connections deepen because you're showing up as yourself, and that authenticity makes a real difference in how people treat you.

♃ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

○ Progressed Moon π Quincunx δ natal Uranus

LUNATIONS

○ Full Moon · Monday, 1 Dec

in II Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Wednesday, 17 Dec

in IX Sagittarius

new beliefs, expansion, broader horizons

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

KEY DATES

Mon, 1 Dec Full Moon in Gemini

Sat, 6 Dec f Chiron \square Square Ω natal NNode

Wed, 10 Dec z Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Thu, 11 Dec v Venus enters A Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Mon, 15 Dec f Chiron \square Square Ω natal NNode

Wed, 17 Dec New Moon in Sagittarius

Ω NNode \square Square δ natal Uranus

Sun, 21 Dec J Jupiter \square Square M natal Mars

L Lilith c Conjunction S natal Saturn

δ Uranus \square Square P natal Pluto

Mon, 22 Dec S Sun enters C Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Wed, 24 Dec L Lilith enters V Virgo

Ω NNode \square Square M natal Moon

Lilith in *Virgo* brings a **sharp eye for detail** and **impatience with sloppy work** — you'll notice people becoming harder to please about standards, whether their own or others'. In relationships and at work, this transit pushes toward **calling out inconsistencies** rather than letting things slide, which can feel refreshing or uncomfortable depending on who's doing it. Most people find themselves wanting **practical fixes over reassurance**, so expect less tolerance for vague promises and more demands for concrete plans and real results.

Sun, 28 Dec L Lilith c Conjunction S natal Saturn

Mon, 29 Dec ☾ Jupiter ☐ Square ♂ natal Mars

Wed, 31 Dec ♂ Mars enters ♋ Pisces

♅ Uranus ☐ Square ♇ natal Pluto

♄ Chiron △ Trine ☾ natal Moon

Mars in Pisces tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.
