KEY TRANSIT FACTORS

☿ Mercury ☌ Conjunction ☉ natal Sun · peak 30 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

☉ Sun ☌ Conjunction ☿ natal Mercury · peak 22 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

♅ Uranus qx Quincunx ♀ natal Venus · peak 25 Dec

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

♃ Jupiter ☌ Opposition ♀ natal Venus · peak 10 Dec

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

♁ Lilith ☌ Conjunction ♁ natal NNode · peak 28 Dec

Right now you're more willing to question social rules and expectations that don't actually fit who you are. You might feel **restless with routines or relationships that require you to stay small**, and you're less likely to apologize for taking up space or speaking up. This period invites you to notice which boundaries you've kept out of habit rather than genuine choice, though acting on that awareness requires thought and timing.

♄ Chiron ∟ Semi sextile ♀ natal Venus · peak 31 Dec

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

♄ Chiron □ Square ♇ natal Pluto · peak 1 Dec

You're running into situations right now where your usual ways of handling power and control stop working, and that's frustrating. You may notice yourself **pushing harder against resistance instead of stepping back**, which tends to make things worse before anything improves. While this lasts, the practical challenge is learning to let go of outcomes you can't actually control, even though every part of you wants to fight for them.

♄ Chiron ∟ Semi sextile ♃ natal Neptune · peak 1 Dec

Over the coming weeks, you may notice that **your intuition about other people becomes more reliable**, especially when someone needs practical help or honest advice. Your ability to listen without judgment improves, and people often feel safer opening up to you during this period. This natural compassion paired with clear thinking helps you offer genuine support that actually makes a difference in someone's life.

♃ Jupiter △ Trine ♇ natal Pluto · peak 31 Dec

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

♃ Jupiter ☌ Opposition ♃ natal Neptune · peak 31 Dec

Right now you are **more likely to overcommit or make promises you cannot keep**, because your sense of what is realistic has become fuzzy. You may find yourself agreeing to things at work or in relationships without thinking through the practical details, then feel frustrated when reality does not match what you imagined. Over the coming weeks, this mismatch between your optimism and what actually needs to happen will force you to get clearer about what you actually want instead of what sounds good in the moment.

♇ Pluto △ Trine ♀ natal Venus · peak 31 Dec

You find it easier to say what you actually want in your relationships right now, and people respond well to your honesty. Your **natural magnetism increases** — you draw others toward you without trying hard or performing. Over the coming weeks, connections deepen because you're showing up as yourself, and that authenticity makes a real difference in how people treat you.

♁ NNode ∟ Semi sextile ♀ natal Venus · peak 31 Dec

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

♁ NNode ∟ Semi sextile ☉ natal Sun · peak 1 Dec

These days you find it easier to say yes to opportunities that align with what matters to you, without overthinking or second-guessing yourself. People respond well to your **straightforward confidence**, and small doors open because you are simply more willing to walk through them. Over the coming weeks, you may notice that the choices you make feel less exhausting because you are following your own direction instead of trying to fit someone else's plan.

♃ Neptune * Sextile ☉ natal Sun · peak 31 Dec

You're finding it easier to **notice what others need** without being asked, and people respond well to this attentiveness right now. Your practical decisions feel more intuitive, and you're less likely to get stuck overthinking small details the way you usually do. Over the coming weeks, this *Neptune* influence on your *Sun* lets you move through situations with more acceptance and less resistance.

♄ Chiron △ Trine ☾ natal Moon · peak 1 Dec

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

KEY DATES

Sun, 6 Dec ♀ Venus enters ♐ Sagittarius

New Moon in Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Thu, 10 Dec ♃ Jupiter ☌ Opposition ♀ natal Venus

Fri, 11 Dec ☿ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Sun, 20 Dec ♂ Mars enters ♏ Scorpio

Full Moon in Gemini

♀ Lilith ☌ Conjunction ♃ natal NNNode

Mars in *Scorpio* brings **sharper focus and longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

Tue, 22 Dec ☼ Sun enters ♐ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Mon, 28 Dec ♃ Lilith ☌ Conjunction ♃ natal NNNode

Wed, 30 Dec ♀ Venus enters ♐ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Thu, 31 Dec ☿ Mercury enters ♐ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.
