## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ♂ natal Mars · peak 12 Jan

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

### ♆ Neptune ∠ Semi sextile ♁ natal NNode · peak 15 Jan

Over the coming weeks, you find it easier to **trust your instincts about which people and situations are good for you**, and this quiet confidence helps you make better choices without overthinking them. Your intuition about your own direction becomes clearer because you're less caught up in what others expect, allowing you to notice what actually feels right for your life. This is a good time to say yes to opportunities that appeal to you on a gut level, since your internal compass is working more smoothly than usual.

### ♄ Chiron ♂ Opposition ♄ natal Saturn · peak 28 Jan

Right now you're feeling the gap between what you think you should be able to handle and what actually feels manageable, which makes everyday tasks feel heavier than usual. You may become **unusually self-critical about your limitations**, noticing where you fall short of your own standards and being harder on yourself than you normally are. Over the coming weeks, people close to you might interpret this as withdrawn or pessimistic, when really you're just confronting how much pressure you've been putting on yourself to stay in control.

### ♄ Chiron \* Sextile ☉ natal Sun · peak 11 Jan

Right now you are more willing to **talk honestly about your mistakes and learn from them** without getting defensive or ashamed. This period gives you the practical ability to see where you have struggled and turn that into useful knowledge about yourself. Over the coming weeks, people around you will notice you handle feedback better and recover faster from setbacks.

### ♄ Chiron \* Sextile ☿ natal Mercury · peak 18 Jan

Right now you're finding it easier to talk about things that normally feel awkward or painful, and people respond well to your honesty. Your **ability to explain difficult feelings in clear, straightforward language** is sharper than usual, which helps you connect with others without getting stuck in defensiveness. Over the coming weeks, conversations that might have been tense instead become a chance to actually understand each other better.

### ♄ Saturn ∠ Semi sextile ♀ natal Venus · peak 19 Jan

Over the coming weeks you're finding it easier to be **straightforward about what you want from people**, and they're responding well instead of pushing back. *Saturn* is helping you separate real affection from neediness, so your relationships feel less exhausting right now. This practical clarity about your own needs is making your social life run more smoothly.

#### ♃ Jupiter △ Trine ☾ natal Moon · peak 2 Jan

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

#### ♃ Jupiter ∟ Semi sextile ♃ natal Neptune · peak 10 Jan

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

#### ♃ Jupiter \* Sextile ♃ natal Uranus · peak 4 Jan

You feel more **willing to try new approaches** to problems that have stalled, and practical opportunities show up that wouldn't have occurred to you before. Your natural caution loosens just enough to let you act on ideas you'd normally dismiss as too risky or unconventional. Over the coming weeks, this openness pays off in concrete ways—whether that's a new connection, a different way of working, or simply discovering that change is less frightening than you thought.

#### ♃ Jupiter □ Square ♃ natal Pluto · peak 11 Jan

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

#### ♄ Chiron △ Trine ♃ natal Jupiter · peak 31 Jan

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

#### ♄ Chiron \* Sextile ♄ natal Chiron · peak 31 Jan

Over the coming weeks, you find it easier to talk about your own past difficulties without getting stuck in them. You notice you can listen to others' problems and actually help instead of just feeling overwhelmed by what they are going through. This is a good time to **share what you have learned from your own hard experiences** in ways that feel natural and useful.

#### ♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 31 Jan

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

#### ♁ NNode ∟ Semi sextile ♂ natal Mars · peak 1 Jan

Over the coming weeks, you find yourself **more willing to take small risks and speak up for what you want**. People around you seem to respond better to your directness, and you notice you're not second-guessing yourself as much. This is a natural window where your practical confidence gets a gentle push forward, making it easier to pursue goals you've been putting off.

#### ♁ NNode ∟ Semi sextile ♁ natal NNode · peak 1 Jan

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

#### ♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

#### PROGRESSED MOON

---

○ Progressed Moon in ♎ Libra 0.9° H8

Entering ♎ Libra this month (was in Virgo)

○ Progressed Moon □ Square ♃ natal Jupiter

○ Progressed Moon ⋈ Quincunx ♄ natal Chiron

#### LUNATIONS

---

○ Full Moon · Sunday, 1 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in H5 — **Creativity & Romance**

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

● New Moon · Tuesday, 17 Jan

in ♑ **Capricorn**

long-term goals, ambition, structural reset

in H12 — **Inner Life & Solitude**

A new cycle is beginning in the hidden, private areas of your life. This lunation brings **inner work, spiritual renewal, and a clearing of old burdens** to the foreground. What you choose to let go of, process, or release over the coming weeks will free up significant inner resources. Solitude, contemplation, and honest self-examination are more productive than external activity right now. Trust what surfaces from beneath the surface — it's asking to be acknowledged.

#### KEY DATES

**Sun, 1 Jan** Full Moon in Cancer

**Mon, 2 Jan** ♃ Jupiter △ Trine ☾ natal Moon

**Wed, 4 Jan** ♃ Jupiter \* Sextile ☽ natal Uranus

**Thu, 5 Jan** ♀ Venus enters ♋ Pisces

*Venus* in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

**Wed, 11 Jan** ♄ Chiron \* Sextile ☼ natal Sun

♃ Jupiter □ Square ♇ natal Pluto

**Thu, 12 Jan** ♆ Neptune □ Square ♂ natal Mars

**Sun, 15 Jan** ☿ Mercury enters ♒ Aquarius

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Tue, 17 Jan** New Moon in Capricorn

**Wed, 18 Jan** ♄ Chiron \* Sextile ☿ natal Mercury

**Fri, 20 Jan** ☼ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sat, 21 Jan** ♄ Chiron enters ♋ Pisces

*Chiron* in *Pisces* brings **confusion about boundaries** into focus — you notice yourself taking on other people's problems or feeling drained after conversations, and healing starts when you recognize where your feelings end and theirs begin. At work and in relationships, the pattern is **getting tangled up in situations** that aren't yours to fix, which makes people more willing to set actual limits and ask for help instead of managing everything alone. This transit tends to highlight **old shame or disappointment** that surfaces when you're tired or around certain people, giving you a chance to address those wounds rather than just pushing through them.

**Mon, 23 Jan** ♆ Neptune □ Square ♂ natal Mars

**Sat, 28 Jan** ♄ Chiron ♂ Opposition ♄ natal Saturn
