## KEY TRANSIT FACTORS

## ♅ Uranus ∟ Semi sextile ♇ natal Pluto · peak 20 Dec ★

Over the coming weeks, you'll notice small opportunities to break free from habits or situations that no longer serve you, without needing to blow everything up. Your instinct for **recognizing when change is necessary** becomes sharper, and you can act on it gradually rather than waiting for a crisis. This is a good time to experiment with new approaches to work or personal projects, because the timing feels naturally right.

## ☉ Sun ♂ Conjunction ☿ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

## ☿ Mercury ♂ Conjunction ☉ natal Sun · peak 17 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

## ♅ Uranus ★ Sextile ♅ natal Uranus · peak 13 Dec

You find yourself **more willing to try new approaches** to problems that have frustrated you before. These days, you can spot practical changes that might actually work without overthinking them. Over the coming weeks, this clarity makes it easier to break free from routines that no longer fit your life.

## ♄ Saturn ★ Sextile ☉ natal Sun · peak 7 Dec

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

## ♃ Jupiter ♁ Quincunx ♆ natal Neptune · peak 29 Dec

You're noticing a mismatch between what you want to believe and what the facts actually show you right now. **You're more inclined to overlook practical details** or convince yourself that things will work out without doing the legwork, and reality keeps pushing back. Over the coming weeks, your real challenge is to stay grounded instead of letting optimism override what you can actually see and verify.

## ♄ Chiron ★ Sextile ☾ natal Moon · peak 20 Dec

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

### ♄ Saturn \* Sextile ♿ natal Mercury · peak 14 Dec

Your thinking becomes clearer and more practical right now, letting you organize your thoughts in ways that actually work. You're naturally **more careful with details and less prone to overlooking things**, which helps your writing, planning, or problem-solving feel more solid. This is a good window to tackle anything that needs patience and precision, since your mind is working in your favor rather than against you.

### ♃ Jupiter ☿ Quincunx ♅ natal Pluto · peak 27 Dec

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

### ♄ Saturn ☊ Opposition ♄ natal Saturn · peak 22 Dec

You're running into **resistance from people in authority or from your own past commitments** right now, and it feels like the ground is shifting under you. What used to work—your routines, your long-term plans, the way you've always managed things—suddenly feels outdated or too restrictive. Over the coming weeks, you'll need to rebuild your approach to discipline and responsibility, which means letting go of some habits that no longer serve you, even though that discomfort is real and legitimate.

### ♅ Pluto ☐ Square ♃ natal Neptune · peak 18 Dec

Over the coming weeks, you may find it harder to trust your own intuition and judgment because reality keeps contradicting what you thought you understood. **You question everything you believed about people and situations**, which leaves you feeling unstable and uncertain about what is actually true. This period asks you to rebuild your sense of what is real by paying close attention to facts instead of relying on hopes or assumptions.

### ♆ Chiron ☊ Trine ♃ natal Uranus · peak 31 Dec

You find it easier to **think clearly about what you actually want to change** in your life without getting stuck in doubt or fear. Your practical side connects with your need for independence, so you can plan real steps toward breaking old patterns instead of just daydreaming about them. These days you notice you're less defensive about feedback and more willing to try new approaches, which makes tackling problems feel less exhausting.

### ♄ Saturn ☊ Trine ♃ natal Jupiter · peak 31 Dec

Right now you find it easier to **follow through on what you say you'll do**, and people notice the reliability. Your practical judgment improves, so you can spot the difference between a good opportunity and wishful thinking. Over the coming weeks, this steadiness lets you build something real instead of chasing every new idea that appeals to you.

### ♄ Saturn \* Sextile ♆ natal Chiron · peak 31 Dec

Over the coming weeks, you find it easier to **talk about things that usually feel too painful or awkward** without getting overwhelmed. Your practical side is more active right now, so you can actually do something about problems instead of just thinking about them. This is a good window to seek help, set boundaries, or take a small step toward fixing something you've been avoiding.

### ♅ Pluto ☌ Semi sextile ♅ natal Pluto · peak 18 Dec

Over the coming weeks, you find yourself **making practical changes without the usual resistance** in areas where you normally feel stuck. Small shifts in how you approach difficult tasks or relationships happen naturally, almost without effort on your part. This is a good time to act on improvements you've been thinking about, because the psychological friction that usually holds you back feels noticeably lighter right now.

### ♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

#### KEY DATES

---

**Tue, 1 Dec** ☿ Mercury enters ♄ Capricorn

♅ Uranus △ Trine ☾ natal Moon

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

---

**Fri, 4 Dec** New Moon in Sagittarius

---

**Mon, 7 Dec** ♄ Saturn \* Sextile ☉ natal Sun

---

**Wed, 9 Dec** ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

---

**Sun, 13 Dec** ♅ Uranus \* Sextile ♅ natal Uranus

♆ Chiron \* Sextile ☾ natal Moon

---

**Mon, 14 Dec** ♄ Saturn \* Sextile ☿ natal Mercury

---

**Wed, 16 Dec** ♄ Saturn enters ♋ Pisces

*Saturn* in *Pisces* brings **stricter limits** to areas where things used to feel open-ended—people often notice they can't rely on vague plans or wishful thinking anymore, and work or personal projects suddenly require **clear structure** and solid deadlines. In relationships and at work, boundaries become **harder to ignore**, meaning difficult conversations that got put off finally need to happen, and people tend to feel more **responsible** for their own mess rather than hoping it sorts itself out. Most people find themselves **editing down** what they actually commit to—saying no more often, showing up more consistently to fewer things, and noticing that **confusion costs them** in practical ways they can't avoid.

---

**Thu, 17 Dec** ☿ Mercury enters ♑ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

---

**Fri, 18 Dec** Full Moon in Gemini

♇ Pluto □ Square ♆ natal Neptune

---

**Sat, 19 Dec** ♀ Venus enters ♑ Sagittarius

♇ Pluto stations Retrograde

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

---

**Sun, 20 Dec** ♅ Uranus stations Retrograde

♆ Chiron \* Sextile ☾ natal Moon

♁ NNode ♂ Opposition ♀ natal Venus

*Uranus* stationing retrograde typically brings **delays and reversals** in tech, internet connections, and unexpected plans that felt solid just weeks ago. Areas like innovation projects, group friendships, or sudden life changes often **pause or shift direction** — what looked like progress stalls, and people find themselves rethinking decisions they thought were final. In practice, this period favors **reviewing old ideas** rather than launching new ones, and you'll notice others becoming less willing to commit to radical changes or unusual partnerships.

**Tue, 22 Dec** ☉ Sun enters ♑ Capricorn

♄ Saturn ☌ Opposition ♄ natal Saturn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sun, 27 Dec** ♅ Uranus ✕ Sextile ♅ natal Uranus

**Mon, 28 Dec** ♇ Pluto ☐ Square ♆ natal Neptune

**Tue, 29 Dec** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Thu, 31 Dec** ♄ Chiron ☊ Trine ♅ natal Uranus

♁ NNode ☌ Opposition ♀ natal Venus
