KEY TRANSIT FACTORS

♁ NNode * Sextile ♂ natal Mars · peak 22 Dec ★

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

♄ Chiron * Sextile ♃ natal Jupiter · peak 22 Dec ★

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

♇ Pluto * Sextile ♆ natal Neptune · peak 16 Dec ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♅ Uranus ♂ Opposition ☾ natal Moon · peak 14 Dec ★

Your **emotional habits feel unreliable right now**, and the people close to you notice the shift even if you don't fully understand it yourself. You're more likely to say or do things that surprise your family, and old routines that usually comfort you feel stifling instead. Over the coming weeks, this restlessness will push you to question whether your relationships and domestic life actually work for you, or whether you've just been going along with them.

♃ Jupiter * Sextile ♄ natal Saturn · peak 27 Dec ★

Right now you find it easier to **follow through on commitments** without feeling weighed down by them. *Jupiter* is supporting your *Saturn*, which means you can take on real responsibility and actually enjoy the structure instead of resenting it. Over the coming weeks, you'll notice that planning ahead and sticking to deadlines feels less like a burden and more like something that works in your favor.

♆ Neptune * Sextile ♇ natal Pluto · peak 23 Dec ★

Right now you find it easier to let go of situations that no longer serve you without drama or resistance. You notice you're **releasing old patterns quietly**, almost without effort, because you can see clearly why they needed to change. This period supports practical transformation where you move forward steadily instead of getting stuck in what used to be.

♃ Jupiter * Sextile ♄ natal Chiron · peak 21 Dec ★

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

♃ Jupiter ☊ Opposition ♀ natal Mercury · peak 31 Dec ★

Over the coming weeks, you are likely to **overstate your case and talk past people** instead of actually listening to what they think. Your confidence in your own opinions grows while your ability to hear other viewpoints shrinks, making conversations feel frustrating on both sides. This is a practical problem right now: you may make decisions based on incomplete information or damage working relationships by dismissing input you actually needed.

♄ Saturn △ Trine ♀ natal Mercury · peak 31 Dec ★

Your thinking becomes more organized and methodical right now, making it easier to work through complex problems without getting distracted. You find yourself **naturally able to follow through on plans** and communicate what you actually mean instead of talking in circles. This period is ideal for learning something practical or finishing projects that require sustained focus and clear explanations.

♃ Jupiter ☊ Opposition ☉ natal Sun · peak 31 Dec ★

Right now you are running into people and situations that directly challenge what you believe about yourself. You feel **pulled in opposite directions** — one part of you wants to expand and take on more, while another part doubts whether you can actually deliver. Over the coming weeks, this friction is likely to expose where you've been overestimating your capabilities or making promises you can't keep.

♄ Saturn △ Trine ♄ natal Saturn · peak 31 Dec ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♄ Saturn ★ Sextile ♃ natal Jupiter · peak 11 Dec ★

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

♄ Saturn △ Trine ☉ natal Sun · peak 31 Dec ★

Right now you find it easier to **follow through on what matters to you**, and people notice the difference in your reliability. Your practical sense is sharp, so you can see which goals are actually worth your time and which ones to drop without guilt. Over these coming weeks, you're building real credibility because you do what you say you will do.

♄ Saturn △ Trine ♄ natal Chiron · peak 11 Dec ★

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

♆ Neptune ∟ Semi sextile ♅ natal Uranus · peak 1 Dec ★

Your **imagination becomes practical** during this period, and ideas that normally stay stuck in your head suddenly feel doable. You find yourself sketching out plans for changes you want to make, whether that's rearranging your space or trying something new at work. This is a good window to turn those creative thoughts into actual steps forward, because right now your daydreams have real traction.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

LUNATIONS

● New Moon · Sunday, 11 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

○ Full Moon · Sunday, 25 Dec

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H5 — Creativity & Romance

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

KEY DATES

Thu, 1 Dec ☿ Mercury enters ♑ Capricorn

♄ Saturn ☌ Conjunction ♄ natal Saturn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 4 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Mon, 12 Dec ☿ Mercury stations Retrograde

♄ Saturn stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Tue, 13 Dec ♂ Mars stations Retrograde

Mars stationing retrograde often brings **delays and restarts** in projects, work deadlines, and physical activities—things that felt urgent suddenly move slower or need reworking. People commonly notice they feel less pushy, more willing to **reconsider decisions** they made before, and sometimes **old conflicts or rivalries** come back up that need settling. In practical terms, this is a good time to **revise plans** rather than launch new ones, fix broken equipment, and handle any pending arguments you've been avoiding.

♁ NNode ♂ Conjunction ♁ natal NNode

♁ Lilith ♂ Conjunction ♁ natal Lilith

♃ Jupiter ♂ Conjunction ♃ natal Jupiter

♃ Jupiter * Sextile ♄ natal Chiron

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Thu, 22 Dec ☉ Sun enters ♑ Capricorn

♁ NNode * Sextile ♂ natal Mars

♄ Chiron * Sextile ♃ natal Jupiter

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Fri, 23 Dec ♆ Neptune * Sextile ♇ natal Pluto

Sun, 25 Dec Full Moon in Cancer

Mon, 26 Dec ♇ Pluto * Sextile ♆ natal Neptune

Tue, 27 Dec ♃ Jupiter * Sextile ♄ natal Saturn

Wed, 28 Dec ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Sat, 31 Dec ♃ Jupiter enters ♊ Gemini

Jupiter in *Gemini* brings a **push to learn and talk more** — people often pick up new skills, start courses, or get chattier about ideas they care about. At work and in relationships, you'll notice a real **appetite for variety** and moving between different projects or conversations instead of staying focused on one thing for long. *Jupiter's* influence here makes **communication pay off**, so people who write, teach, negotiate, or network tend to see concrete opportunities show up.
