KEY TRANSIT FACTORS

☉ Sun ♂ Conjunction ♃ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

♃ Mercury ♂ Conjunction ☉ natal Sun · peak 24 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♄ Chiron ♂ Conjunction ☾ natal Moon · peak 6 Dec

Right now you're more aware of what hurts you emotionally, and you notice old patterns in how you react when you feel vulnerable. This heightened sensitivity means you can see what you actually need from other people instead of just pushing feelings down. Over the coming weeks, this self-awareness gives you a chance to **handle emotional wounds more honestly** instead of letting them pile up.

♆ Neptune ♂ Conjunction ♀ natal Venus · peak 1 Dec

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

♄ Chiron ♂ Opposition ♅ natal Uranus · peak 1 Dec

Right now you feel caught between wanting to break free and being afraid of what happens if you do. Your usual ways of handling independence stop working, leaving you frustrated and looking for an escape route that does not exist. Over the coming weeks, this friction forces you to see exactly where you have been avoiding responsibility for your own choices instead of blaming outside limits.

♁ NNode ☐ Square ☾ natal Moon · peak 1 Dec

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

♊ NNNode □ Square ♅ natal Uranus · peak 1 Dec

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

♅ Uranus ∟ Semi sextile ☼ natal Sun · peak 31 Dec

These days you feel **ready to try something different** without needing to blow up your whole life to do it. Small changes at work or home suddenly feel possible, and you notice you're less attached to how things have always been done. This is a good window to test out new routines or introduce fresh ideas that have been sitting in the back of your mind.

♊ NNNode * Sextile ♊ natal NNNode · peak 31 Dec

Over the coming weeks, you find it easier to **say yes to opportunities that align with what you actually want**, without overthinking or second-guessing yourself. People around you seem more willing to support your decisions, and doors open with less resistance than usual. This is a practical time to move forward on plans you've been considering, because your timing feels genuinely right.

♅ Uranus ∟ Semi sextile ♃ natal Mercury · peak 31 Dec

Over the coming weeks, your mind becomes **quicker to spot new angles on old problems**, and you find yourself asking questions you wouldn't normally ask. Small talk feels less interesting, but one-on-one conversations where you can explore unusual ideas feel energizing and natural. This is a good time to try a different approach to something at work or pick up a skill you've been curious about, because your brain is genuinely primed for it right now.

♊ NNNode ♂ Conjunction ♂ natal Mars · peak 31 Dec

Over the coming weeks, you're more likely to **act on something you've been thinking about instead of sitting with it**. You feel a natural push to test your limits and take direct steps toward what matters to you. This isn't recklessness—it's your ability to move forward becoming sharper, so use it for practical goals rather than impulsive decisions.

♄ Saturn * Sextile ♂ natal Mars · peak 31 Dec

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

♃ Jupiter * Sextile ♂ natal Mars · peak 31 Dec

Over the coming weeks, you'll notice yourself **moving forward on things you've been putting off** without forcing anything. Your natural confidence is higher right now, so you take action more quickly and people respond better to what you're trying to do. This is a practical window where effort actually produces results, so starting a project or pushing a goal forward will feel less exhausting than usual.

♄ Saturn ♂ Conjunction ♊ natal NNNode · peak 31 Dec

These days you're noticing that your social circle is shrinking or becoming more selective. You feel less interested in people-pleasing and more willing to drop relationships that don't feel genuine. This shift toward **honest evaluation of your connections** will likely continue over the coming weeks as *Saturn* tightens its grip on your *North Node*.

♇ Pluto * Sextile ♀ natal Venus · peak 1 Dec

You're finding it easier to say what you actually want in your relationships right now, and people respond well to your honesty. Your **natural confidence in social situations** is higher than usual, which means conversations feel less forced and more genuine. Over the coming weeks, you may notice that others are more willing to listen to you and take your preferences seriously.

KEY DATES

Mon, 1 Dec ♃ Neptune ♂ Conjunction ♀ natal Venus

♄ Chiron ♂ Opposition ♂ natal Uranus

♁ NNnode □ Square ♃ natal Moon

♁ NNnode □ Square ♂ natal Uranus

Sat, 6 Dec ☿ Mercury enters ♐ Sagittarius

♄ Chiron ♂ Conjunction ♃ natal Moon

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Mon, 8 Dec New Moon in Sagittarius

♃ Neptune ♂ Conjunction ♀ natal Venus

♁ NNnode □ Square ♃ natal Moon

Mon, 15 Dec ♄ Chiron ♂ Conjunction ♃ natal Moon

Thu, 18 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Sun, 21 Dec Full Moon in Gemini

Mon, 22 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Thu, 25 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Tue, 30 Dec ♁ Lilith enters ♏ Scorpio

Lilith in *Scorpio* brings a **sharper edge to how you speak up** about things you've kept quiet about before. In relationships and at work, people often notice they stop **softening their real opinions** to keep the peace, and conversations become more direct and sometimes uncomfortable. *Scorpio's* influence makes this transit less about dramatic rebellion and more about **refusing small compromises** — you'll see it in how you set boundaries around your time, money, and who gets access to your attention.

Wed, 31 Dec ♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.
