### KEY TRANSIT FACTORS

#### ☉ Sun ♂ Conjunction ♃ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

#### ♃ Mercury ♂ Conjunction ☉ natal Sun · peak 14 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

#### ♂ Mars ☐ Square ☾ natal Moon · peak 31 Dec ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

#### ♄ Chiron ♂ Conjunction ♅ natal Uranus · peak 25 Dec

While this lasts, you become more aware of the ways you resist change or cling to independence in your relationships and work. You notice situations where you demand freedom but also expect others to stay loyal, or where you want things your own way but feel hurt when people don't follow. This period often brings **clarity about patterns** that have confused or frustrated you — and you can actually do something about them if you pay attention.

#### ♊ NNode △ Trine ☾ natal Moon · peak 17 Dec

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

#### ♄ Chiron ♂ Opposition ☾ natal Moon · peak 22 Dec

Over the coming weeks, you feel more aware of emotional wounds you've been carrying, which can make you irritable with the people closest to you. Your usual ways of comforting yourself stop working as well, leaving you **restless and dissatisfied** with your routines and relationships. This discomfort is real, but it's pushing you to look honestly at what you actually need instead of what you've settled for.

#### ♊ NNode \* Sextile ♅ natal Uranus · peak 11 Dec

Over the coming weeks, you find it easier to **act on unusual ideas without second-guessing yourself**. You spot opportunities to do things differently in practical ways — a new work method, a social connection, or a creative experiment — and you move forward with genuine confidence instead of doubt. This is a good time to test something you've been curious about because your instinct for what actually works feels sharp and reliable right now.

#### ♃ Jupiter \* Sextile ♀ natal Venus · peak 29 Dec

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

#### ♃ Jupiter △ Trine ♃ natal Pluto · peak 1 Dec

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

#### ♃ Jupiter \* Sextile ♃ natal Neptune · peak 1 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

#### ♃ Neptune ∟ Semi sextile ☉ natal Sun · peak 31 Dec

Right now you're picking up on subtle signals from people around you that you usually miss, and this makes your conversations feel more genuine. You're less interested in surface-level small talk and more drawn to **deeper listening**, which helps others open up to you naturally. Over the coming weeks, this softer attention to what's unspoken can actually improve your relationships and help you spot opportunities that depend on reading between the lines.

#### ♄ Saturn ∟ Semi sextile ☾ natal Moon · peak 31 Dec

Over the coming weeks, you'll find it easier to **organize your feelings into practical steps** rather than getting stuck in emotional loops. Your emotional needs start to align with what you can actually do in your daily life, so you feel less pulled in two directions. This is a good time to set small routines that genuinely comfort you, since your practical side and your emotional side are working together instead of against each other.

#### ♄ Chiron ∟ Semi sextile ♁ natal NNode · peak 1 Dec

Over the coming weeks, you find it easier to **spot patterns in your own behaviour** without getting stuck in self-criticism. Small conversations or situations naturally point out where you've been repeating the same mistakes, and you actually listen instead of defending yourself. This practical self-awareness makes it simpler to adjust course in relationships and work without needing to overanalyse everything.

#### ♄ Chiron □ Square ♂ natal Mars · peak 1 Dec

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

#### ♄ Chiron ∟ Semi sextile ♃ natal Neptune · peak 31 Dec

Over the coming weeks, you may notice that **your intuition about other people becomes more reliable**, especially when someone needs practical help or honest advice. Your ability to listen without judgment improves, and people often feel safer opening up to you during this period. This natural compassion paired with clear thinking helps you offer genuine support that actually makes a difference in someone's life.

#### ♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

#### KEY DATES

**Mon, 1 Dec** ☿ Mercury enters ♑ Capricorn

New Moon in Sagittarius

♃ Jupiter △ Trine ♅ natal Pluto

♃ Jupiter \* Sextile ♆ natal Neptune

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 7 Dec** ♁ NNNode △ Trine ☾ natal Moon

**Mon, 8 Dec** ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Thu, 11 Dec** ♁ NNNode \* Sextile ♂ natal Uranus

**Fri, 12 Dec** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

**Sat, 13 Dec** Full Moon in Gemini

**Sun, 14 Dec** ☿ Mercury enters ♎ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Mon, 15 Dec** ♁ Lilith enters ♎ Libra

*Lilith* in *Libra* makes people **speak up more directly** about unfair treatment, especially in partnerships and work teams where they've been quiet before. When disagreements come up, you'll notice **less tolerance for pretending** everything is fine — conversations get real, and people stop accepting one-sided arrangements. At work and in relationships, the shift shows as **stronger boundary-setting**, with individuals refusing roles that feel like they're doing all the emotional labor or compromise.

**Tue, 16 Dec** ♄ Saturn stations Direct

*Saturn* turning direct means **stuck decisions and delayed projects** can finally move again after months of standing still. What felt unclear or blocked in your work, finances, or long-term plans becomes **clearer and actionable** as *Saturn* pushes forward. The pattern most people notice is **real progress on what matters** — whether that's getting a commitment from someone, finishing something you started, or seeing results from hard work you put in during the retrograde.

**Wed, 17 Dec** ♁ NNNode △ Trine ☾ natal Moon

**Thu, 18 Dec** ♂ Mars enters ♒ Aquarius

*Mars* in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they

think something's wrong.

**Mon, 22 Dec** ☉ Sun enters ♑ Capricorn

♄ Chiron ☌ Opposition ♀ natal Moon

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Thu, 25 Dec** ♄ Chiron ☌ Conjunction ♂ natal Uranus

**Sat, 27 Dec** ☿ Mercury stations Direct

♀ Venus stations Retrograde

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.
