♁ North Node	in	♎ Libra	11°07'00"	VIII Rx
♁ Lilith	in	♊ Gemini	26°56'07"	V

KEY TRANSIT FACTORS

☿ Mercury ☉ Conjunction ☉ natal Sun · peak 12 Jan ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♂ Mars ☐ Square ☾ natal Moon · peak 31 Jan ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

♃ Jupiter ☐ Square ☉ natal Sun · peak 19 Jan

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

♁ NNode △ Trine ♄ natal Chiron · peak 19 Jan

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♁ NNode ☉ Opposition ♃ natal Jupiter · peak 20 Jan

Over the coming weeks, you are likely to feel **blocked when you try to expand or take on more**. You want to say yes to opportunities, but practical limits keep showing up, which can feel frustrating and limiting. This tension between your appetite for growth and what is actually available right now is real, and working within those boundaries rather than fighting them will serve you better.

♄ Chiron ★ Sextile ☉ natal Sun · peak 31 Jan

Right now you are more willing to **talk honestly about your mistakes and learn from them** without getting defensive or ashamed. This period gives you the practical ability to see where you have struggled and turn that into useful knowledge about yourself. Over the coming weeks, people around you will notice you handle feedback better and recover faster from setbacks.

♃ Jupiter ☐ Square ♃ natal Jupiter · peak 29 Jan

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♃ Jupiter ♌ Semi sextile ♄ natal Chiron · peak 29 Jan

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

♃ Jupiter ♁ Quincunx ♄ natal Saturn · peak 25 Jan

Over the coming weeks, you feel caught between wanting to expand and needing to play it safe. You might say yes to an opportunity at work or in a relationship, then immediately feel anxious about whether you can actually handle it. **This creates a practical tension where you're pulling yourself in opposite directions**, making it hard to commit fully to new plans or let yourself relax into them.

♃ Jupiter ☐ Square ♃ natal Mercury · peak 21 Jan

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♄ Saturn ♂ Conjunction ♇ natal Pluto · peak 1 Jan

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

♁ NNode △ Trine ♄ natal Saturn · peak 31 Jan

Over the coming weeks, you find it easier to stick with difficult tasks and follow through on commitments without losing motivation. Your natural **ability to be reliable and practical** aligns smoothly with what you actually want to build right now, so responsibilities feel less like obligations. People notice you are more grounded and trustworthy during this period, and that reputation opens doors in work and personal relationships.

♄ Saturn * Sextile ♃ natal Neptune · peak 1 Jan

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

♄ Chiron * Sextile ♃ natal Mercury · peak 31 Jan

Right now you're finding it easier to talk about things that normally feel awkward or painful, and people respond well to your honesty. Your **ability to explain difficult feelings in clear, straightforward language** is sharper than usual, which helps you connect with others without getting stuck in defensiveness. Over the coming weeks, conversations that might have been tense instead become a chance to actually understand each other better.

♁ NNode ♂ Conjunction ♃ natal Mercury · peak 31 Jan

While this lasts, you find yourself drawn to people and conversations that feel more meaningful than usual. You're more likely to speak up about things that matter to you and to **listen carefully when others share their real thoughts**. These days your practical communication skills improve, and you notice you can explain yourself more clearly in work meetings or personal discussions.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

PROGRESSED MOON

○ Progressed Moon in ♋ Cancer 29.7° H7

Moving into House 7 this month (was in House 6)

○ Progressed Moon ♀ Quincunx ☉ natal Sun

○ Progressed Moon ♀ Quincunx ♃ natal Mercury

LUNATIONS

● New Moon · Tuesday, 4 Jan Eclipse

in ♑ Capricorn

long-term goals, ambition, structural reset

in H12 — Inner Life & Solitude

A new cycle is beginning in the hidden, private areas of your life. This lunation brings **inner work, spiritual renewal, and a clearing of old burdens** to the foreground. What you choose to let go of, process, or release over the coming weeks will free up significant inner resources. Solitude, contemplation, and honest self-examination are more productive than external activity right now. Trust what surfaces from beneath the surface — it's asking to be acknowledged.

○ Full Moon · Wednesday, 19 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in H6 — **Health & Service**

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

KEY DATES

Sat, 1 Jan ♄ Saturn ☌ Conjunction ♇ natal Pluto

♄ Saturn * Sextile ♆ natal Neptune

Tue, 4 Jan New Moon in Capricorn

Sat, 8 Jan ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Mon, 10 Jan ♄ Saturn ☌ Conjunction ♇ natal Pluto

Thu, 13 Jan ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 16 Jan ♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Wed, 19 Jan Full Moon in Cancer

♃ Jupiter ☐ Square ☉ natal Sun

♁ NNnode △ Trine ♁ natal Chiron

Thu, 20 Jan ☉ Sun enters ♒ Aquarius

♁ NNnode ☌ Opposition ♃ natal Jupiter

Sun in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Fri, 21 Jan ♃ Jupiter ☐ Square ♀ natal Mercury

Sun, 23 Jan ♃ Jupiter enters ♈ Aries

♁ Chiron * Sextile ☉ natal Sun

Jupiter in *Aries* tends to make people **push forward faster** on plans they've been sitting with, whether that's asking for a raise, starting a project, or ending something that isn't working. You'll likely notice others around you acting more **direct and confident** in conversations, and **taking risks** they wouldn't have considered before — some pay off, some don't. In work and money matters, this period often brings **new opportunities** that require quick decisions, so the practical skill is knowing when to act and when to wait rather than getting swept up in the rush.

Wed, 26 Jan ♄ Saturn stations Retrograde

Saturn stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

Sat, 29 Jan ♃ Jupiter ☐ Square ♃ natal Jupiter

Mon, 31 Jan ☿ Chiron * Sextile ☾ natal Sun
 ♁ NNode △ Trine ♄ natal Saturn
 ☿ Chiron * Sextile ♀ natal Mercury
