## KEY DATE

### ♂ Mars enters ♌ Leo

*Mars* in *Leo* brings **direct, confident action** that people around you will notice right away — you speak up more often, take charge in meetings, and stop waiting for permission to try things. In relationships and at work, this transit **increases competition** and **ego clashes**, so you may find yourself arguing more or wanting credit for what you do. The practical shift is that you'll have real **energy and drive** to finish projects and take risks, but you'll also feel less patient with people who move slowly or don't acknowledge your effort.

## KEY TRANSIT FACTORS

### ♀ Venus ☉ Opposition ♁ natal Chiron ★

Right now you're noticing that people respond differently to you than usual, and it feels uncomfortable because old insecurities about your **likability and self-worth** are surfacing. You might find yourself either trying too hard to be liked or pulling away from social situations altogether, which makes real connection harder rather than easier. Over the coming weeks, this friction is an opportunity to see where you've been hiding your actual personality to fit in, but it will not feel good while it's happening.

### ♀ Venus \* Sextile ☿ natal Mercury ★

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

### ♁ Chiron ☿ Quincunx ♇ natal Pluto

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

### ♁ NNode ☉ Opposition ♁ natal Chiron

Right now you're running into situations that expose what you've been trying to ignore about your own limitations. Your instinct is to push yourself harder or prove something to others, but the more you do that the more frustrated you become because the outcome doesn't match the effort. Over the coming weeks, this friction is forcing you to admit that some things genuinely don't come easily to you, and that's worth taking seriously instead of just powering through.

### ☉ Sun ∟ Semi sextile ♆ natal Neptune

Right now you're picking up on subtle signals from people around you, noticing things others miss about their feelings and needs. This makes you **naturally more perceptive in conversations**, and people tend to open up to you without you having to ask much. Over the coming weeks this supportive quality can help you build closer connections, especially if you listen more than you talk.

### ♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

### ☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

### ☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

### ☉ Sun ♁ Opposition ♄ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

## LUNAR DAY

Moon in ♉ Taurus · Day 16 / 30 · Full Moon

**The pace slows considerably** during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

## CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Libra

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
