KEY TRANSIT FACTORS

♁ NNode * Sextile ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♆ Neptune ∠ Semi sextile ☉ natal Sun

Right now you're picking up on subtle signals from people around you that you usually miss, and this makes your conversations feel more genuine. You're less interested in surface-level small talk and more drawn to **deeper listening**, which helps others open up to you naturally. Over the coming weeks, this softer attention to what's unspoken can actually improve your relationships and help you spot opportunities that depend on reading between the lines.

☾ Moon □ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

♀ Venus △ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

☉ Sun qx Quincunx ♃ natal Mercury

While this lasts, you find it hard to explain what you actually mean, even though your thoughts feel perfectly clear inside your head. People misunderstand you more often than usual, and you might notice yourself **rephrasing things multiple times** without getting your point across any better. The mismatch between what you think and what comes out of your mouth will probably frustrate you until this period passes.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Opposition ☽ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

☉ Sun ☌ Quincunx ♇ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

LUNAR DAY

Moon in ♒ Aquarius · Day 23 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
