KEY TRANSIT FACTORS

☉ Sun ☿ Quincunx ♁ natal Chiron ★

You are noticing where you usually feel competent but currently feel oddly off-balance or uncertain about how to proceed. This mismatch between what you know works and what feels right at the moment creates a **restless awareness** that something needs adjusting. Over the coming weeks you may find yourself reworking an approach or skill that has always been reliable, not because it is broken but because you sense it no longer fits who you are becoming.

♃ Jupiter ♁ Semi sextile ♆ natal Neptune ★

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

☉ Sun * Sextile ♁ NNode ★

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

♄ Saturn ♄ Conjunction ♅ natal Uranus

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

♁ NNode ☿ Quincunx ♃ natal Mercury

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

♀ Venus ♁ Trine ☾ natal Moon

You feel more comfortable being yourself around people right now, and your **emotional warmth comes across naturally** without effort. Others respond well to you during this period because you're genuinely interested in connection rather than defensive. This is a good time to reach out to people you care about, since you're in a receptive mood and conversations tend to flow easily.

☉ Sun ∟ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☾ Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

LUNAR DAY

Moon in ♉ Taurus · Day 19 / 30 · Waning Gibbous

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY
