KEY TRANSIT FACTORS

♁ Chiron ☌ Quincunx ☾ natal Moon

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

♅ Uranus ☌ Conjunction ☿ natal Mercury

Right now your thinking is unusually **restless and unpredictable**, and you may find yourself jumping between ideas or changing your mind more often than usual. People around you might notice you're speaking differently—more bluntly, more rapidly, or bringing up subjects you normally wouldn't mention. Over the coming weeks, this can shake up how you communicate at work or in relationships, so it helps to notice when you're being impulsive with your words.

♄ Saturn ☌ Semi sextile ♀ natal Venus

Over the coming weeks you're finding it easier to be **straightforward about what you want from people**, and they're responding well instead of pushing back. *Saturn* is helping you separate real affection from neediness, so your relationships feel less exhausting right now. This practical clarity about your own needs is making your social life run more smoothly.

☉ Sun * Sextile ♅ natal Uranus

You find it easier to **break your own rules and try something different** without feeling reckless or anxious about it. Your usual caution loosens just enough to let you experiment with a new idea at work, change your routine, or speak up in a way you normally wouldn't. This window lasts only a few weeks, so any small risk you take now tends to feel manageable and actually fun instead of frightening.

♆ Neptune ☌ Conjunction ☾ natal Moon

Your emotional responses feel less clear right now, and you may notice yourself reacting to people based on what you imagine they mean rather than what they actually say. This **blurred emotional perception** can make you more compassionate in the moment, but also more likely to misread situations or take things personally that weren't intended that way. Over the coming weeks, check in with people directly about how they feel instead of guessing.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☾ Moon ☌ Square ♆ Neptune

Right now your emotional responses feel disconnected from what is actually happening around you. You might **overreact to small problems or miss real warning signs** because your feelings are not matching the facts. This mismatch between what you feel and what is real makes it hard to trust your own judgment about people and situations.

› Moon ☾ Quincunx ♅ Pluto

These days you might notice a gap between what you feel and what you think you should do about it. Your emotional reactions feel stronger than usual, and you can't quite figure out why small things are bothering you more. This mismatch between your feelings and your practical choices can make you feel stuck until you take time to understand what's actually upsetting you.

LUNAR DAY

Moon in ♈ Aries · Day 9 / 30 · First Quarter

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
