KEY TRANSIT FACTORS

♆ Neptune ☐ Square ♂ natal Mars

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

♇ Pluto * Sextile ♁ natal Pluto

You find it easier right now to **let go of situations that no longer serve you** without drama or regret. *Pluto* transiting in *sextile* to your natal *Pluto* gives you psychological permission to close chapters cleanly and move forward. Over the coming weeks you may notice you're making practical decisions about what stays and what goes with unusual clarity and calm.

♃ Jupiter ☐ Square ♁ natal Uranus

You're feeling restless and impatient with your usual routines, and you're more likely to make sudden decisions without thinking through the consequences. **Your need for freedom is clashing with your responsibilities**, making it hard to stick to commitments or plans. Over the coming weeks, you may experience practical disruptions—cancelled plans, unexpected changes, or your own impulsive actions—that force you to rebuild some stability afterward.

♁ NNode * Sextile ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♃ Jupiter ☌ Conjunction ♁ natal NNode

Over the coming weeks, you're likely to **say yes to opportunities that normally wouldn't interest you**, and many of them will turn out better than expected. People seem to trust you more easily right now, which makes networking and making new contacts feel natural rather than forced. This is a practical window to expand your professional circle or take on projects that stretch your skills in ways you've wanted to for a while.

☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ☿ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

LUNAR DAY

Moon in ♐ Sagittarius · Day 30 / 30 · Waning Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY

Tuesday · ☿ Mars · Venus in Libra

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
