KEY TRANSIT FACTORS

♁ NNode △ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

♀ Venus △ Trine ☿ natal Mercury

Right now you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond well to your words because you're speaking with warmth and directness at the same time, which makes conversations flow naturally. Over the coming weeks, this is a good window to have the conversations you've been putting off or to pitch ideas you've been sitting with.

☿ Mercury ☍ Opposition ♂ natal Mars

Right now you're more likely to say things you regret, especially when someone disagrees with you or moves too slowly. Your **impatience with others' words and ideas** is heightened, making conversations feel combative even when they don't need to be. Over the coming weeks, watch for a pattern where you interrupt, argue about details, or push your point too hard instead of listening.

♇ Pluto ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

♅ Uranus △ Trine ♀ natal Venus

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

☉ Sun ∟ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

LUNAR DAY

Moon in ♐ Sagittarius · Day 16 / 30 · Full Moon

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY
