## KEY TRANSIT FACTORS

### ☉ Sun ☐ Quincunx ♄ natal Saturn ★

Over the coming weeks, you feel caught between wanting to move forward and sensing you should slow down, which creates low-level frustration. You might **second-guess decisions** you normally make with confidence, or find that what seemed straightforward yesterday feels complicated today. This mismatch between your impulses and your caution will fade, but while it lasts you'll benefit from checking your plans twice before committing.

### ☿ Mercury ☐ Square ♇ natal Pluto

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

### ☾ Moon ∟ Semi sextile ☉ natal Sun

These days you find it easier to **trust your own gut feelings** about what matters to you, and that quiet confidence shows in how you move through your day. People respond to this because you're not second-guessing yourself or seeking constant reassurance from others. Over the coming weeks, this natural sense of direction can help you make small decisions faster and feel more at home in your own skin.

### ♀ Venus ∟ Semi sextile ♃ natal Jupiter

While this lasts, you find it easier to say yes to small social invitations and feel genuinely interested in other people's stories. Your **natural warmth shows up more** in conversations, and you notice people respond better to you without you trying harder. This is a good time to strengthen friendships or spend money on experiences that bring you closer to the people you care about.

### ♅ Uranus △ Trine ♀ natal Venus

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

### ☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun \* Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♎ Libra · Day 23 / 30 · Waning Gibbous

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
