KEY TRANSIT FACTORS

♅ Uranus △ Trine ♄ natal Saturn ★

Right now you can spot problems in your routines and systems without getting defensive about changing them. You feel **willing to experiment with practical improvements** while keeping what actually works. This is a rare window where your instinct for stability supports your curiosity about doing things differently.

♆ Neptune ∟ Semi sextile ♃ natal Jupiter ★

These days you feel more **open to possibility** than usual, and small opportunities seem to appear without you forcing them. You might notice that people respond better when you speak from genuine feeling rather than trying to convince them with logic. Over the coming weeks, this softer approach often leads to unexpected support or connections that feel genuinely helpful.

♇ Pluto ♂ Conjunction ♃ natal Mercury

Right now you're thinking much more carefully about what you say and believe, and you may question ideas that once seemed obvious to you. Conversations become **more intense and searching** because you're not satisfied with surface-level answers anymore. Over the coming weeks, expect to revise how you communicate or what you're willing to talk about openly.

♅ Uranus ∟ Semi sextile ♋ natal NNode

Over the coming weeks, you find yourself drawn toward people and situations that feel genuinely new and different from your usual circles. Your **natural curiosity about unconventional ideas** is stronger than usual, and you notice yourself asking better questions instead of accepting the first answer. These small shifts in how you explore the world are quietly putting you in contact with opportunities that align more closely with what you actually want to become.

♃ Jupiter ♂ Opposition ♆ natal Neptune

Right now you are **more likely to overcommit or make promises you cannot keep**, because your sense of what is realistic has become fuzzy. You may find yourself agreeing to things at work or in relationships without thinking through the practical details, then feel frustrated when reality does not match what you imagined. Over the coming weeks, this mismatch between your optimism and what actually needs to happen will force you to get clearer about what you actually want instead of what sounds good in the moment.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ♂ Conjunction ♁ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

☾ Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

LUNAR DAY

Moon in ♋ Pisces · Day 19 / 30 · Full Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Libra

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
