KEY TRANSIT FACTORS

♂ Mars ☿ Quincunx ♁ natal Chiron

Right now you're more aware of old hurts when someone pushes back against you or challenges your plans. You might notice yourself **reacting defensively to minor criticism** that you'd normally brush off. Over the coming weeks, this clash between your assertiveness and your sensitivity gives you a chance to see where you need better boundaries instead of just withdrawing or fighting back.

♁ Chiron △ Trine ♄ natal Saturn

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♁ NNode △ Trine ♄ natal Saturn

Over the coming weeks, you find it easier to stick with difficult tasks and follow through on commitments without losing motivation. Your natural **ability to be reliable and practical** aligns smoothly with what you actually want to build right now, so responsibilities feel less like obligations. People notice you are more grounded and trustworthy during this period, and that reputation opens doors in work and personal relationships.

☿ Mercury □ Square ♂ natal Mars

Right now your thoughts move faster than your patience, and you're more likely to say things you'll regret in arguments or heated conversations. **You interrupt people, contradict them quickly, and struggle to listen** without jumping in with your own point. These next couple of weeks will test your ability to slow down before you speak, because your natural instinct is to react fast and hard.

♇ Pluto ☽ Conjunction ☾ natal Moon

You're likely to feel more **withdrawn and private** than usual, wanting to process things alone rather than with others. Your emotional reactions may feel bigger or more extreme, as though small disappointments hit harder and smaller moments of comfort matter much more. Over the coming weeks, pay attention to what you're protecting—you may discover you need different boundaries or different people around you than you thought.

♃ Jupiter Rx · ♑ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ☿ Quincunx ♇ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

› Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

LUNAR DAY

Moon in ♈ Aries · Day 21 / 30 · Waning Gibbous

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
