KEY TRANSIT FACTORS

♁ NNode ☐ Square ♁ natal Uranus ★

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

♄ Saturn ☌ Conjunction ♇ natal Pluto

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

☾ Moon ☐ Square ☿ natal Mercury

Right now your emotions are making it harder to think clearly or communicate what you actually mean. You say things you didn't plan to say, or you misread what others are trying to tell you because you're **reacting from feeling rather than listening**. These next few days or weeks will test your patience with conversations and small decisions until this mood passes.

☿ Mercury ∟ Semi sextile ♆ natal Neptune

Right now your mind is picking up on things you normally miss, and you're finding it easier to **connect the dots between different ideas**. Your conversations have a natural flow to them these days because *Mercury* and *Neptune* are working together to make your words feel intuitive and gentle. Over the coming weeks this can help you explain complicated feelings or understand what someone else really means beneath what they're saying.

☿ Mercury ☐ Square ♇ natal Pluto

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☾ Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

☿ Mercury ☐ Square ♄ Saturn

Right now your thinking feels slower and more rigid than usual, like you are pushing through mental fog. **You second-guess what you want to say before you say it**, and conversations become harder work because you are weighing every word. These constraints are real but temporary — they force you to think more carefully about what actually matters instead of speaking without thought.

LUNAR DAY

Moon in ♍ Virgo · Day 22 / 30 · Waning Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
