## KEY DATE

### ♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

## KEY TRANSIT FACTORS

### ☉ Sun ☐ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

### ♁ Chiron qx Quincunx ♂ natal Mars

Right now you're noticing that your usual way of pushing forward doesn't feel quite right, and small physical frustrations keep showing up where you'd normally feel confident. Your body might feel slightly off-beat with what your mind wants to do, making you **more aware of how you move and act** than usual. Over the coming weeks, this mismatch between intention and execution can actually help you spot habits that have been holding you back if you pay attention to what feels clunky.

### ♆ Neptune qx Quincunx ♀ natal Venus

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

### ☿ Mercury ☐ Square ☾ natal Moon

Your thoughts and words are working against your emotional needs right now, so you feel frustrated when you try to explain how you actually feel. You say one thing but mean another, or you second-guess yourself mid-sentence, which makes people misunderstand you or dismiss what matters to you. Over the coming weeks, pay attention to the gap between what you think you should say and what you actually need—because **rushing to explain yourself** will only make the disconnect worse.

### ♀ Venus ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to **enjoy what you already have** without feeling the need to chase something better. Small moments of comfort feel genuinely satisfying, whether that's a conversation with someone you care about or time spent on something you like. This gentle support from *Venus* helps you appreciate the relationships and pleasures in your life right now, without pushing for dramatic changes.

### › Moon ☾ Semi sextile ♄ Saturn

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The *Moon* and *Saturn* aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.

### › Moon ☾ Conjunction ♇ Pluto

Right now you are more aware of what you actually feel underneath the surface, and you may find yourself **bringing buried emotions into conversations** without planning to. People around you are doing the same thing, which means the social atmosphere tends toward intensity and honesty instead of small talk. This period asks you to notice what you have been avoiding emotionally and to accept that some feelings need to come out.

### › Moon ✱ Sextile ♄ Chiron

Right now you are more willing to talk about things that usually stay hidden, and people around you sense this openness. Your emotional honesty creates **permission for others to be honest too**, and conversations that have been stuck for months suddenly move forward. This is a good window for having difficult talks with people you trust, because you can speak about real hurt without turning it into blame.

## LUNAR DAY

---

Moon in ♑ Capricorn · Day 9 / 30 · First Quarter

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

## CLOTHING & JEWELRY

---

Friday · ♀ Venus · Venus in Libra

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
