KEY TRANSIT FACTORS

♊ NNode ☐ Square ♁ natal Uranus ★

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

☾ Moon ★ Sextile ♂ Mars ★

Right now you feel like **taking action on things that matter to you emotionally**, and your body has the energy to back it up. You're not overthinking or second-guessing yourself as much as usual; instead you're moving forward with projects or conversations that felt stuck before. This is a practical window for getting things done without burning yourself out.

♄ Saturn ☐ Square ♁ natal Uranus

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

♁ Chiron △ Trine ♆ natal Neptune

While this lasts, you find it easier to **talk about your insecurities without shame**, and people respond with genuine understanding instead of judgment. Your usual defensiveness around emotional mistakes softens, letting you admit what you actually struggle with. This practical honesty tends to deepen your connections with others over the coming weeks.

♁ Uranus qx Quincunx ♇ natal Pluto

You feel an odd restlessness about situations you thought you had under control, and you're picking up on small details that suddenly seem important. Your impulse is to shake things up or take back power, but the timing never quite feels right, leaving you **frustrated by your own hesitation**. Over the coming weeks, small adjustments to your approach will work better than any dramatic move.

☾ Moon ☉ Opposition ♂ natal Mars

Your **impatience with others** peaks right now, and you're more likely to snap at people over small things. You feel restless and irritable, especially in situations where you normally stay calm, because your emotional needs clash with your natural drive to act fast. These days the friction between wanting to slow down and wanting to push forward makes everyday interactions harder.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

♄ Saturn Rx · ♄ Capricorn

Ambitions, career structures, and long-term goals are under the most rigorous review possible during this period. Work that has been sustained through discipline alone may now reveal where genuine motivation is missing. This is a demanding but genuinely clarifying period for honest assessment of your long-term direction.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☾ Moon ♂ Conjunction ☿ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.
