KEY TRANSIT FACTORS

☿ Mercury ☌ Semi sextile ♊ natal NNode

These days you find it easier to **say what you actually mean** instead of holding back or overthinking your words. Your conversations with people tend to flow more naturally, and you pick up on what others really need to hear from you. This is a good time to share ideas you've been sitting on or to have those conversations you've been avoiding.

♀ Venus △ Trine ☉ natal Sun

Right now you feel more **comfortable being yourself around others**, and people respond well to that ease. You are more likely to say yes to social invitations and actually enjoy them instead of overthinking beforehand. This period is ideal for smoothing over small rifts in relationships or simply spending time with people who genuinely like you.

♊ NNode ☌ Opposition ♃ natal Jupiter

Over the coming weeks, you are likely to feel **blocked when you try to expand or take on more**. You want to say yes to opportunities, but practical limits keep showing up, which can feel frustrating and limiting. This tension between your appetite for growth and what is actually available right now is real, and working within those boundaries rather than fighting them will serve you better.

☿ Mercury △ Trine ♅ natal Uranus

Your mind is working faster than usual right now, and you're making unexpected connections between ideas that seemed unrelated before. You find yourself **thinking in new directions** and willing to try approaches that normally wouldn't occur to you. Over the coming weeks, this mental clarity can help you solve practical problems or come up with fresh solutions at work or in your personal projects.

☾ Moon △ Trine ☉ natal Sun

You feel **naturally confident about who you are** right now, which makes it easier to be yourself around others without second-guessing. People respond better to you because you're not defensive or apologetic, and that openness tends to smooth over small conflicts before they start. This emotional ease won't last forever, so use these weeks to handle conversations or decisions you've been putting off—your calm clarity makes real progress possible.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☌ Quincunx ♊ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ☌ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♋ Pisces · Day 4 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
