## KEY DATE

### ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ♄ natal Saturn

Right now you are caught between wanting to relax your standards and needing to stick to them, which leaves you feeling unsettled about practical decisions. You might find yourself **avoiding commitment or clarity** on important matters because the effort feels pointless, or you second-guess rules and boundaries you normally trust. Over the coming weeks, this friction between *Neptune's* pull toward looseness and *Saturn's* demand for structure can make you feel like you are either too rigid or too adrift in your own life.

### ♂ Mars ☐ Quincunx ♀ natal Venus

These days you feel **restless in your relationships and attractions**, as if what usually satisfies you no longer fits quite right. Your desires and your actions keep pulling in different directions, so you end up pursuing what you want in awkward or roundabout ways. Over the coming weeks, you may notice you're making social or romantic moves that feel off-timing, or you're frustrated because your energy doesn't match what your heart actually needs.

### ♃ Jupiter \* Sextile ☿ natal Mercury

Your mind works faster and more clearly right now, making it easier to see solutions you usually miss. You find yourself **explaining things well** and picking up new information quickly, whether at work or in conversations. This is a practical window to tackle writing projects, learning, or any discussion that matters to you.

### ☉ Sun ☐ Trine ♀ natal Venus

Right now you find it easier to like yourself and feel comfortable in your own skin, which naturally makes other people want to be around you more. You're less critical of your flaws and **more accepting of who you are**, so conversations flow better and you come across as genuinely relaxed instead of trying too hard. This period is ideal for repair work in relationships, starting something new socially, or simply enjoying the company of people you care about without the usual second-guessing.

### ♅ Uranus ☐ Trine ♃ natal Jupiter

You are feeling unusually **open to new possibilities** and willing to try things you normally wouldn't consider. Your confidence is high right now, and you're noticing opportunities appear without you having to force them—people invite you to things, conversations lead somewhere unexpected, or a practical problem suddenly has a solution you hadn't seen before. This period supports taking calculated risks or making changes you've been thinking about, because your instinct for what will actually work is sharp.

## ☿ Mercury Rx · ♒ Aquarius

Technical systems, digital communications, and group coordination hit unexpected friction during this period. Plans made with communities or organizations may need revision, and innovative ideas benefit from reconsideration before being shared. Logic that felt solid on paper often reveals gaps when tested right now.

## ☉ Sun ☌ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

## ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

## ☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

## LUNAR DAY

Moon in ♍ Virgo · Day 18 / 30 · Full Moon

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

## CLOTHING & JEWELRY
