KEY TRANSIT FACTORS

♄ Saturn qx Quincunx ♁ natal NNode · peak 31 Jul ★

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

☿ Mercury * Sextile ♀ natal Venus · peak 17 Jul ★

You find it easier to say what you actually mean to people you care about, and they respond well to your honesty. **Your words come across as warm and thoughtful** instead of rushed or clumsy, which helps conversations feel closer. Over the coming weeks, this is a good time to have the talks you've been putting off or to express appreciation to someone who matters to you.

♁ NNode □ Square ♁ natal NNode · peak 6 Jul

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

♆ Neptune △ Trine ♄ natal Chiron · peak 20 Jul

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

♁ NNode △ Trine ♄ natal Saturn · peak 19 Jul

Over the coming weeks, you find it easier to stick with difficult tasks and follow through on commitments without losing motivation. Your natural **ability to be reliable and practical** aligns smoothly with what you actually want to build right now, so responsibilities feel less like obligations. People notice you are more grounded and trustworthy during this period, and that reputation opens doors in work and personal relationships.

♄ Saturn □ Square ☉ natal Sun · peak 22 Jul

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

♃ Jupiter △ Trine ♂ natal Mars · peak 30 Jul

Right now you feel **more capable and willing to take action** on things you have been putting off. Your confidence in your own abilities is higher than usual, and you find yourself moving forward without the self-doubt that normally holds you back. Over the coming weeks, this is a good window to start a physical project, sign up for something challenging, or push for what you actually want instead of settling.

♃ Jupiter △ Trine ☽ natal Uranus · peak 4 Jul

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

♃ Jupiter ☌ Quincunx ♀ natal NNode · peak 2 Jul

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

♁ NNode ☌ Conjunction ☽ natal Uranus · peak 1 Jul

These days you feel a stronger pull toward **breaking your usual routines and trying something unconventional**. You might suddenly want to change how you work, spend time with different people, or reject habits that no longer feel right. This period pushes you to act on independence impulses that have been sitting quietly in the background.

♇ Pluto ☌ Conjunction ♀ natal Venus · peak 31 Jul

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

♄ Saturn * Sextile ♄ natal Saturn · peak 31 Jul

These days you find it easier to stick with your responsibilities without feeling weighed down by them. You can see practical results from the discipline you have built up over time, and this gives you real confidence in what you are capable of. Over the coming weeks, you are likely to follow through on commitments with less friction and to earn recognition from people who notice your reliability.

♃ Jupiter ☌ Conjunction ♄ natal Saturn · peak 1 Jul

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

♄ Chiron ☌ Quincunx ♃ natal Neptune · peak 1 Jul

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

♄ Chiron △ Trine ♃ natal Jupiter · peak 31 Jul

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

PROGRESSED MOON

○ Progressed Moon in ♋ Pisces 0.4° H12

Entering ♋ Pisces this month (was in ♒ Aquarius)

LUNATIONS

○ Full Moon · Friday, 1 Jul

in ♄ Capricorn

career results, ambition tested, authority reviewed

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Saturday, 16 Jul

in ♋ Cancer

emotional reset, home, inner security

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

KEY DATES

Fri, 1 Jul Full Moon in Capricorn

♊ NNode ♂ Conjunction ♂ natal Uranus

♃ Jupiter ♂ Conjunction ♄ natal Saturn

Mon, 4 Jul ♃ Jupiter △ Trine ♂ natal Uranus

Wed, 6 Jul ♊ NNode □ Square ♊ natal NNode

Thu, 7 Jul ♀ Venus enters ♊ Gemini

Venus in *Gemini* makes people **more talkative and curious** about the people around them, so conversations feel lighter and flirtation happens more easily. At work and in friendships, you'll notice **shorter attention spans** — everyone wants variety instead of depth, which means plans change faster and people juggle multiple projects or interests at once. This transit typically brings **less commitment** to big decisions about money or relationships, so it's a better time to explore options than to lock anything down.

Sun, 10 Jul ☿ Mercury enters ♌ Leo

♆ Neptune △ Trine ♄ natal Chiron

Mercury in *Leo* makes people talk more **directly and with confidence**, so conversations at work or home tend to feel bolder and less cautious than usual. When someone speaks up during this transit, they usually **want to be heard** and remembered, which means they pick words for impact rather than softness. In practice, this shows up as **clearer requests, firmer opinions**, and less apologizing—though it can also mean people interrupt more or push their point when they should listen.

Sat, 16 Jul ♂ Uranus stations Direct

New Moon in Cancer

Uranus turning direct after months backward means **stuck situations finally shift** — delays in tech, contracts, or unusual projects resume their forward motion. What felt **blocked or confusing** about your routines, friendships, or work systems becomes **clearer to act on** now that the planet moves the way it normally does. Most people notice they can **make real changes** instead of just thinking about them, whether that's switching jobs, updating systems, or ending relationships that went nowhere during the retrograde.

Mon, 18 Jul ♂ Mars enters ♊ Gemini

Mars in *Gemini* shifts your energy toward **talking things through** and **sorting problems quickly** instead of pushing hard on one goal—you'll notice yourself wanting to handle multiple tasks at once and argue your point rather than bulldoze it. At work and in conversations, people tend to get **more direct with words**, debate more often, and jump between projects faster, which can feel productive one moment and scattered the next. In relationships, this transit often brings **sharper communication** and quicker disagreements, since everyone's thinking faster and speaking up more—the upside is less bottled-up frustration, though patience can wear thin.

Tue, 19 Jul ♊ NNode △ Trine ♄ natal Saturn

Wed, 20 Jul ♆ Neptune △ Trine ♄ natal Chiron

Fri, 22 Jul ♄ Saturn □ Square ☉ natal Sun

Sat, 23 Jul ☉ Sun enters ♌ Leo

The Sun entering Leo brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

Sun, 24 Jul ♇ Pluto ♂ Conjunction ♀ natal Venus

♄ Chiron △ Trine ♃ natal Jupiter

Thu, 28 Jul ☿ Mercury enters ♍ Virgo

Mercury entering *Virgo* sharpens how you **think and communicate** — your mind becomes more precise, you spot details you missed before, and you naturally organize information instead of leaving things vague. At work and in conversations, people tend to **speak more carefully**, ask better questions, and get frustrated faster with unclear explanations or messy

processes. Over the next few weeks, this transit pushes you toward **sorting things out** — whether that's cleaning up your schedule, fixing a system that never worked right, or finally having that direct talk you've been avoiding.

Sat, 30 Jul ♃ Jupiter △ Trine ♂ natal Mars

Sun, 31 Jul ♇ Pluto ♂ Conjunction ♀ natal Venus

♄ Saturn ✕ Sextile ♄ natal Saturn

♆ Chiron △ Trine ♃ natal Jupiter
