### KEY TRANSIT FACTORS

#### ♂ Mars \* Sextile ☾ natal Moon · peak 24 Jan ★

Right now you feel **more decisive about what you actually want**, and your emotions back up your actions instead of second-guessing them. You're likely to take practical steps on something that matters to you—whether that's speaking up at work, starting a project at home, or setting a boundary you've been putting off. This period gives you the confidence to trust your gut and act on it without overthinking.

#### ♀ Venus \* Sextile ☿ natal Mercury · peak 12 Jan ★

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

#### ♅ Uranus △ Trine ♀ natal Venus · peak 21 Jan

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

#### ♃ Jupiter qx Quincunx ♂ natal Mars · peak 24 Jan

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

#### ♄ Chiron ∟ Semi sextile ☾ natal Moon · peak 1 Jan

These days you find it easier to **talk about your feelings without getting stuck in them**, which helps you connect with people who matter to you. Your emotional vulnerabilities feel less like private wounds and more like honest things worth sharing. Over the coming weeks, this gentle openness tends to draw supportive responses from others, making your relationships feel more real and less lonely.

#### ♇ Pluto ♂ Conjunction ☿ natal Mercury · peak 31 Jan

Right now you're thinking much more carefully about what you say and believe, and you may question ideas that once seemed obvious to you. Conversations become **more intense and searching** because you're not satisfied with surface-level answers anymore. Over the coming weeks, expect to revise how you communicate or what you're willing to talk about openly.

### ♄ Chiron ♂ Conjunction ♁ natal Lilith · peak 1 Jan

Right now you are more aware of how you reject parts of yourself that don't fit what you think you should be. You notice **where you push away your own needs** to keep the peace or look acceptable to others. Over the coming weeks, this awareness can help you see these patterns clearly, though it may feel uncomfortable at first.

### ♄ Saturn ♂ Opposition ♂ natal Mars · peak 1 Jan

Right now you're running into real resistance whenever you try to push forward with your plans. Your usual drive feels blocked or slowed down, and what normally comes easily now requires twice the effort and planning. **You're learning that not everything can be forced**, and this frustration is the teacher—but it's an uncomfortable lesson that lasts weeks.

### ♅ Uranus \* Sextile ♀ natal Mercury · peak 1 Jan

Right now your mind is unusually **quick to spot patterns and make unexpected connections** between ideas that normally seem separate. You find yourself asking better questions in conversations and coming up with solutions that feel genuinely original rather than recycled. Over the coming weeks, this clarity gives you real confidence to speak up in meetings or try explaining something you've been hesitant to tackle before.

### ♅ Uranus \* Sextile ♄ natal Chiron · peak 31 Jan

You find it easier right now to talk about past difficulties without getting stuck in them, and people actually listen differently when you do. Your **ability to explain what hurt you in a practical way** opens doors to real conversations instead of arguments. This period gives you a chance to turn old pain into something useful that helps both you and others move forward.

### ♆ Neptune △ Trine ♇ natal Pluto · peak 31 Jan

You're finding it easier to let go of situations that no longer serve you without drama or resistance right now. Your practical instincts are sharper about which changes are worth making and which problems will solve themselves if you stop pushing. *Neptune* trine *Pluto* gives you a **calm acceptance of transformation** that makes difficult decisions feel less like crises and more like natural course corrections.

### ♄ Chiron \* Sextile ♇ natal Pluto · peak 31 Jan

You're finding it easier right now to **talk honestly about what's been holding you back**, and people are actually listening instead of getting defensive. This period is giving you a window to work through old patterns without the usual shame or resistance getting in your way. Over the coming weeks, you might notice yourself making real changes in how you handle power struggles or difficult relationships because you can see what's happening without beating yourself up about it.

### ♄ Saturn △ Trine ☾ natal Moon · peak 31 Jan

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

### ♃ Jupiter ♃ Quincunx ♅ natal Uranus · peak 1 Jan

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

### ♁ Lilith ♂ Conjunction ☉ natal Sun · peak 31 Jan

Over the coming weeks, you feel less interested in fitting in or softening your opinions to keep the peace. You're more likely to say what you actually think and **push back against rules or expectations that feel fake**. This directness can clear the air in relationships, but it may also create friction if people around you aren't used to seeing this side of you.

## LUNATIONS

---

○ Full Moon · Friday, 1 Jan

**in ♋ Cancer**

emotional culmination, family matters, inner needs surface

**in H4 — Home & Family**

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Monday, 18 Jan

**in ♑ Capricorn**

long-term goals, ambition, structural reset

**in H11 — Community & Goals**

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

**KEY DATES**

**Fri, 1 Jan** Full Moon in Cancer

♄ Chiron ♂ Conjunction ♁ natal Lilith

♄ Saturn ♂ Opposition ♂ natal Mars

♅ Uranus ✱ Sextile ♀ natal Mercury

**Tue, 5 Jan** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

**Thu, 7 Jan** ♀ Mercury enters ♑ Capricorn

♄ Chiron enters ♐ Sagittarius

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 10 Jan** ♅ Uranus △ Trine ♀ natal Venus

**Mon, 11 Jan** ♄ Saturn ♂ Opposition ♂ natal Mars

**Mon, 18 Jan** New Moon in Capricorn

**Thu, 21 Jan** ☉ Sun enters ♒ Aquarius

♅ Uranus △ Trine ♀ natal Venus

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sun, 24 Jan** ♇ Pluto ♂ Conjunction ♀ natal Mercury

**Tue, 26 Jan** ♀ Mercury enters ♒ Aquarius

♂ Mars enters ♏ Scorpio

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Fri, 29 Jan** ♀ Venus enters ♓ Pisces

*Venus* in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and

work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.
