## KEY TRANSIT FACTORS

### ♂ Mars \* Sextile ☾ natal Moon · peak 13 Sep ★

Right now you feel **more decisive about what you actually want**, and your emotions back up your actions instead of second-guessing them. You're likely to take practical steps on something that matters to you—whether that's speaking up at work, starting a project at home, or setting a boundary you've been putting off. This period gives you the confidence to trust your gut and act on it without overthinking.

### ♄ Saturn ☐ Square ♃ natal Jupiter · peak 21 Sep

Right now you are running into real limits on plans you thought were solid, and it feels frustrating because you expected things to move faster. Your natural **optimism about what's possible hits a wall**, and you have to sit with delays, rejections, or the plain fact that something costs more than you budgeted. Over the coming weeks, this friction between your hopes and actual circumstances forces you to get honest about what you can actually do, which is uncomfortable but necessary.

### ♅ Uranus ☐ Square ☾ natal Moon · peak 5 Sep

Your **emotional reactions feel unpredictable and harder to control** right now, catching you off guard in situations where you normally stay calm. People close to you may seem confused or frustrated because your mood shifts without warning, and you struggle to explain why you feel unsettled. Over the coming weeks, this restlessness pushes you to question habits and routines that no longer fit, but the process feels uncomfortable rather than liberating.

### ♄ Saturn \* Sextile ♆ natal Neptune · peak 2 Sep

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

### ♃ Jupiter ☐ Square ☾ natal Moon · peak 14 Sep

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

### ♆ Neptune △ Trine ♂ natal Mars · peak 30 Sep

Right now you find it easier to act on your creative ideas without overthinking or second-guessing yourself. Your usual need to charge ahead gets **softened by intuition**, so you pick up on what others actually need instead of just pushing your own agenda. Over the coming weeks, this blend of confidence and sensitivity means you can get things done while keeping people around you feeling heard.

### ♊ NNode ♂ Conjunction ♃ natal Jupiter · peak 30 Sep

Right now you're drawn to say yes to more opportunities than usual, and people respond well when you do. You feel more confident about your own opinions and less worried about being wrong, which makes you speak up in conversations where you'd normally stay quiet. Over the coming weeks, this confidence can help you move forward on something you've been hesitant about, though it's worth checking if you're overestimating what you can actually take on.

### ♄ Saturn ♂ Conjunction ♇ natal Pluto · peak 1 Sep

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

### ♅ Pluto ☐ Square ♅ natal Pluto · peak 30 Sep

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

### ♄ Chiron △ Trine ♂ natal Mars · peak 30 Sep

Over the coming weeks, you find it easier to talk about what you actually want and need instead of pushing through silently. Your **willingness to ask for help** without shame or defensiveness opens doors with people who care about you. This practical shift means you get real support right when you need it, and conflicts that usually leave you exhausted tend to resolve with much less friction.

### ♃ Jupiter ☌ Quincunx ♂ natal Mars · peak 30 Sep

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

### ♄ Chiron \* Sextile ♀ natal Moon · peak 1 Sep

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

### ♁ NNode ∟ Semi sextile ♿ natal Mercury · peak 1 Sep

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

### ♅ Pluto ∟ Semi sextile ♃ natal Neptune · peak 30 Sep

You find it easier right now to **notice patterns in situations that confused you before**, especially in relationships or creative projects where things felt murky. Your practical judgment sharpens, letting you spot what's actually happening underneath surface appearances rather than getting lost in assumptions. This clarity lasts only a few weeks, so it's a good time to make decisions about situations you've been uncertain about.

### ♁ Uranus ☌ Quincunx ♂ natal Mars · peak 30 Sep

Your usual way of pushing forward or getting things done feels slightly off right now, like your timing is consistently a beat late or your efforts land awkwardly. You might find yourself **starting projects with energy but then stopping to rethink your approach** halfway through, which can be frustrating if you're used to just powering through. Over the coming weeks, the practical answer is to build in extra adjustment time and expect that your first attempt at something physical or competitive may need a revision.

### ♿ Mercury Rx · ♍ Virgo

Your attention sharpens on errors and inefficiencies right now, sometimes to the point of paralysis. Details that were overlooked resurface, and work or health plans made earlier may need correction. This period rewards meticulous review but punishes perfectionism that prevents completion.

### ♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

## LUNATIONS

---

● New Moon · Wednesday, 8 Sep

in ♍ Virgo

practical renewal, health habits, daily routines

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

---

○ Full Moon · Wednesday, 22 Sep

in ♓ Pisces

emotional release, endings, heightened sensitivity

in H1 — Self & Identity

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

#### KEY DATES

---

**Wed, 1 Sep** ♄ Saturn ☌ Conjunction ♇ natal Pluto

♇ Pluto ☐ Square ♇ natal Pluto

**Thu, 2 Sep** ♄ Saturn ✕ Sextile ♆ natal Neptune

**Sun, 5 Sep** ♂ Uranus ☐ Square ☾ natal Moon

**Wed, 8 Sep** New Moon in Virgo

**Thu, 9 Sep** ♀ Venus enters ♏ Scorpio

♃ Jupiter enters ♓ Pisces

*Venus* in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

**Mon, 13 Sep** ☿ Mercury stations Direct

♁ Uranus ☐ Square ☾ natal Moon

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Tue, 14 Sep** ♇ Pluto stations Direct

♃ Jupiter ☐ Square ☾ natal Moon

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

**Wed, 15 Sep** ♂ Mars enters ♏ Scorpio

*Mars* in *Scorpio* brings **sharper focus and longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

**Sun, 19 Sep** ♆ Neptune △ Trine ♂ natal Mars

**Tue, 21 Sep** ♄ Saturn ☐ Square ♃ natal Jupiter

**Wed, 22 Sep** Full Moon in Pisces

**Thu, 23 Sep** ☼ Sun enters ♎ Libra

*Sun* in *Libra* brings a shift toward **balance and fairness** in how you handle everyday decisions, and people often find themselves **weighing options more carefully** before committing to anything. At work and in relationships, you'll likely notice a stronger pull to **listen to others' viewpoints** and smooth over tension, even when you'd normally push your

own agenda. This transit tends to make **partnerships and teamwork** feel more natural and rewarding than solo efforts, so group projects and one-on-one conversations typically go smoother during the next month.
