## KEY TRANSIT FACTORS

### ☿ Mercury \* Sextile ♀ natal Venus · peak 10 Dec ★

You find it easier to say what you actually mean to people you care about, and they respond well to your honesty. **Your words come across as warm and thoughtful** instead of rushed or clumsy, which helps conversations feel closer. Over the coming weeks, this is a good time to have the talks you've been putting off or to express appreciation to someone who matters to you.

### ♂ Mars \* Sextile ☾ natal Moon · peak 1 Dec ★

Right now you feel **more decisive about what you actually want**, and your emotions back up your actions instead of second-guessing them. You're likely to take practical steps on something that matters to you—whether that's speaking up at work, starting a project at home, or setting a boundary you've been putting off. This period gives you the confidence to trust your gut and act on it without overthinking.

### ♁ Lilith ♂ Conjunction ♂ natal Mars · peak 25 Dec

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

### ♄ Saturn □ Square ♃ natal Uranus · peak 2 Dec

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

### ♃ Uranus qx Quincunx ♆ natal Neptune · peak 19 Dec

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

### ♄ Saturn ∟ Semi sextile ♄ natal Saturn · peak 20 Dec

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

### ♄ Saturn ☌ Opposition ♋ natal NNode · peak 10 Dec

Right now you feel **pulled backward into old patterns** when you try to move forward on anything meaningful. People around you seem to expect you to stay in a familiar role, and resisting them feels uncomfortable and isolating. Over the coming weeks you will need to choose between comfort and growth, and that choice will feel less like an opportunity and more like a real loss.

### ♃ Jupiter ☌ Quincunx ♅ natal Pluto · peak 25 Dec

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

### ♃ Jupiter ☐ Square ♆ natal Neptune · peak 29 Dec

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

### ♆ Neptune ☌ Quincunx ☉ natal Sun · peak 1 Dec

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

### ♅ Uranus ☐ Square ♅ natal Pluto · peak 31 Dec

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

### ♄ Chiron ☌ Quincunx ☌ natal Mars · peak 31 Dec

Right now you're noticing that your usual way of pushing forward doesn't feel quite right, and small physical frustrations keep showing up where you'd normally feel confident. Your body might feel slightly off-beat with what your mind wants to do, making you **more aware of how you move and act** than usual. Over the coming weeks, this mismatch between intention and execution can actually help you spot habits that have been holding you back if you pay attention to what feels clunky.

### ♃ Jupiter \* Sextile ☾ natal Moon · peak 1 Dec

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

### ♄ Saturn △ Trine ☉ natal Sun · peak 31 Dec

Right now you find it easier to **follow through on what matters to you**, and people notice the difference in your reliability. Your practical sense is sharp, so you can see which goals are actually worth your time and which ones to drop without guilt. Over these coming weeks, you're building real credibility because you do what you say you will do.

### ♋ NNode ☐ Square ♃ natal Jupiter · peak 31 Dec

Right now you are **overcommitting to things that seem important but don't actually fit your life**. You feel pulled toward opportunities, promises, and plans that look good on paper but create practical conflicts when you try to follow through. Over the coming weeks, you will hit real consequences from saying yes too much, and you'll have to make uncomfortable choices about what actually matters.

### ♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

### KEY DATES

**Thu, 1 Dec** ♃ Jupiter \* Sextile ☾ natal Moon

♇ Pluto \* Sextile ♄ natal Chiron

**Fri, 2 Dec** ♂ Mars enters ♋ Pisces

♃ Jupiter enters ♋ Pisces

♄ Saturn ☐ Square ♂ natal Uranus

*Mars* in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

**Sat, 3 Dec** ♀ Mercury enters ♐ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Tue, 6 Dec** Full Moon in Gemini

**Sat, 10 Dec** ♄ Saturn ♂ Opposition ♃ natal NNode

**Mon, 12 Dec** ♄ Saturn ☐ Square ♂ natal Uranus

**Sun, 18 Dec** ♃ Lilit ♄ Conjunction ♂ natal Mars

♄ Uranus ☐ Square ♇ natal Pluto

**Thu, 22 Dec** ☉ Sun enters ♑ Capricorn

♃ Mercury enters ♑ Capricorn

New Moon in Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sat, 24 Dec** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less around you flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Sun, 25 Dec** ♃ Lilit ♄ Conjunction ♂ natal Mars

**Wed, 28 Dec** ♆ Neptune stations Direct

*Neptune* stationing direct means **confusion clears up** in areas where you've been stuck or uncertain — contracts,

creative projects, or health decisions start moving again instead of feeling frozen. People often notice they can **see reality more clearly** now, especially about situations they've been avoiding or romanticizing, so you might finally act on something you've been postponing. *Neptune* direct also **restarts forward momentum** in your intuition and imagination, making it easier to finish creative work or set clearer boundaries in relationships rather than staying tangled in vague patterns.

**Thu, 29 Dec** ♃ Jupiter ☐ Square ♆ natal Neptune

**Sat, 31 Dec** ♅ Uranus ☐ Square ♇ natal Pluto

♁ NNode ☐ Square ♃ natal Jupiter
