## SOLAR ANALYSIS

### Solar ASC ♍ Virgo → natal H7 — Partnerships

Relationships take center stage this year. A **significant partnership — romantic, professional, or legal** — becomes the year's defining context. You're learning about yourself through others, and the quality of your close relationships will determine much of what this year means to you. Important people enter your life, existing bonds deepen or clarify. **How you show up for others and what you ask in return** is the year's central question.

### Dispositor ♿ Mercury → ♏ Scorpio · natal H9 — Expansion & Beliefs

With the dispositor in the ninth house, the year's themes **express through expansion, belief, and exploration**. Travel, education, spiritual development, or philosophical inquiry become the vehicle through which the year's energy flows. Encounters with the unfamiliar — different places, ideas, or worldviews — are how this year's main work gets done. **Following curiosity into unfamiliar territory** is not a detour; it's the path.

### Solar H10 ♊ Gemini → natal H4 — Home & Family

The Solar Tenth House descends into your **natal Fourth House**, creating a powerful connection between **public achievement and private roots**. Career moves this year have implications for home and family; the foundation you stand on — your sense of inner security, your domestic stability — either supports or limits what you can build publicly. The most ambitious outer goals have their source in the most private inner ground.

♄ Saturn ☌ Conjunction · 1.0°

Ruler ♿ Mercury → ♏ Scorpio · natal H9 — Expansion & Beliefs

The ruler of the **Solar Tenth House** reaches into your **natal Ninth House**, fuelling career ambitions with **vision, learning, and the courage to expand**. Publishing, teaching, travel, higher education, or work with an international dimension can all carry professional weight this year. The year belongs to those who think and aim beyond the familiar.

### Solar H7 ♋ Pisces → natal H1 — Self & Identity

The Solar Seventh House — the house of partnership, significant others, and one-on-one relating — falls in your **natal First House** this year, placing **the quality of your relationships in direct dialogue with your personal identity**. How you define yourself and how you show up in the world are inseparable from the partnerships you attract and sustain. This is a year when who you are becoming is largely shaped by those you choose to stand alongside.

♄ Saturn ☐ Square · 0.4°

Ruler ♆ Neptune → ♐ Sagittarius · natal H9 — Expansion & Beliefs

The ruler of the **Solar Seventh House** reaches into your **natal Ninth House**, building relationships on the foundation of **shared values, vision, and the desire to grow**. Significant partners this year are those who expand your world — through different backgrounds, beliefs, or a mutual commitment to meaning. The year favours relationships that **take you somewhere new**.

### Solar H4 ♐ Sagittarius → natal H10 — Career & Reputation

The Solar Fourth House rises into your **natal Tenth House**, creating a significant intersection between **private life and public standing**. What happens at home — in family dynamics, in domestic changes, in the resolution of private matters — has direct implications for professional and public life, and vice versa. The year asks you to recognise that **the foundation beneath your public achievements is only as strong as the private ground you stand on**.

♄ Saturn ☌ Opposition · 1.0°

Ruler ♐ Jupiter → ♏ Scorpio · natal H8 — Transformation

The ruler of the **Solar Fourth House** descends into your **natal Eighth House**, bringing a **transformative, sometimes intense quality to home and family matters**. Inheritance, property shared with others, the resolution of deep family patterns, or the experience of a home that changes fundamentally are all possible. **What you release from the past creates space for new foundations**.

♄ Solar Saturn → natal H3 cusp

0.2°

Your communication becomes more careful and deliberate this year. You speak less but say things that matter more. *Saturn* here makes you **think twice before you speak and take words seriously**. Learning and writing may feel slower, but the work you do is solid and reliable.

♄ Natal Saturn → solar H10 cusp

1.0°

Your career moves forward through steady effort and real skill this year. You know how to work without complaining and how to be professional. **People notice your reliability and give you more responsibility**. This is a good year to ask for promotion or take on a bigger role.

#### ♿ Mercury · solar H1/H10 rul. ⚡ Semi sextile ♂ natal Mars

Your thoughts are moving faster than usual right now, and you're picking up on details that normally slip past you. You find yourself more **decisive in conversation**, able to speak up about what you want without overthinking it. This is a good window to tackle practical problems or have direct talks you've been putting off, because your mind and your drive are working together smoothly.

#### ☉ Sun · solar H12 rul. ♂ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

#### ♀ Venus · solar H2/H9 rul. ♂ Conjunction ☉ natal Sun

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

#### ☾ Moon · solar H11 rul. ⚠ Trine ♿ natal Mercury

These days your **thoughts come through more naturally when you speak**, and people listen without interrupting you as much. Your mind feels less tangled, so you can explain what you actually mean instead of getting frustrated halfway through. This is a good window to have conversations you've been putting off, since you'll find the right words without forcing them.

#### ♂ Mars · solar H8 rul. ♂ Opposition ♃ natal Chiron

Right now you are **quick to react defensively when anyone points out a weakness or mistake**, and this makes conversations harder instead of easier. Your old insecurities about not being good enough are closer to the surface, so small criticism stings more than usual. Over the coming weeks, you will need to catch yourself before snapping at someone who is only trying to help.

#### ♂ Mars · solar H8 rul. ♂ Conjunction ♀ natal Venus

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

#### ☉ Sun · solar H12 rul. ♁ Quincunx ♄ natal Saturn

Over the coming weeks, you feel caught between wanting to move forward and sensing you should slow down, which creates low-level frustration. You might **second-guess decisions** you normally make with confidence, or find that what seemed straightforward yesterday feels complicated today. This mismatch between your impulses and your caution will fade, but while it lasts you'll benefit from checking your plans twice before committing.

#### ☾ Moon · solar H11 rul. ♂ Opposition ♀ natal Venus

Over the coming weeks, you feel **emotionally disconnected from the people you care about**, even when you are physically close to them. Your usual warmth and interest in others gets pulled inward, making you seem withdrawn or critical in social situations. This mismatch between what you normally feel and what you actually feel right now can create awkward moments in your relationships until this period passes.

#### ♀ Venus · solar H2/H9 rul. ♁ Quincunx ♄ natal Saturn

Right now you feel pulled between wanting closeness with someone and needing to keep your distance, which makes you act uncertain in social situations. You might say yes to plans and then back out, or hold back from expressing what you actually want because you are unsure how it will land. These mixed feelings are temporary, but while this lasts they can make your relationships feel awkward or leave you feeling dissatisfied with how you are connecting.

#### ♄ Saturn · solar H5 rul. ⚡ Semi sextile ♄ natal Saturn

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

#### ♄ Saturn · solar H5 rul. ⚠ Trine ♃ natal NNode

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

#### ♃ Jupiter · solar H4 rul. ♂ Conjunction ☉ natal Sun

You feel more confident in social situations and willing to take on bigger responsibilities at work or home. People tend to respond well to you right now, and you're less likely to doubt yourself before speaking up. Over the coming weeks, you might find yourself saying yes to opportunities you would normally hesitate about.

### ♄ Saturn · solar H5 rul. ♁ Quincunx ♂ natal Uranus

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

### ♄ Saturn · solar H5 rul. ☾ Opposition ☽ natal Sun

Right now you feel **worn down by demands** on your time and energy, and others seem to expect more from you than feels realistic. You notice yourself saying no more often, or feeling resentful when you do say yes, because your reserves are genuinely low. These weeks will test whether you can be honest about your limits instead of pushing through until you break.

### ♄ Chiron ☐ Square ♃ natal Jupiter

Over the coming weeks, your usual confidence in your abilities hits a wall, and you find yourself **doubting decisions you'd normally make without hesitation**. You may overcommit to plans or promises, then realize halfway through that you lack the resources or energy to follow through, leaving you feeling stretched thin. The mismatch between what you think you can do and what actually works in practice becomes impossible to ignore, forcing you to get honest about your real limits.

### ♇ Pluto · solar H3 rul. ☐ Square ♀ natal Moon

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ♅ Uranus · solar H6 rul. ☌ Conjunction ♀ natal Venus

You are feeling **restless in your relationships and attractions right now**, wanting something different from what you've had before. Your taste in people or partners may shift suddenly, or you might find yourself drawn to people who are unpredictable or unconventional. This period pushes you to question what you actually want instead of staying comfortable with familiar patterns.

### ♁ NNode \* Sextile ♀ natal Moon

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

### ♆ Neptune · solar H7 rul. ⌞ Semi sextile ♀ natal Moon

These days you notice **softer feelings** about situations that normally upset you, making it easier to let minor annoyances pass without reaction. Your emotional responses feel less sharp while *Neptune* supports your *Moon*, and you find yourself more willing to give people the benefit of the doubt. This period is good for noticing what actually matters to you emotionally rather than defaulting to old defensive patterns.

### ♆ Neptune · solar H7 rul. ☌ Conjunction ♄ natal Lilith

You're becoming much less clear about your own boundaries and what you actually want right now. People around you pick up on this softness and may start testing your limits or making requests they normally wouldn't. Over the coming weeks, pay attention to situations where you say yes when you mean no, because you'll find it harder than usual to feel what your real preference is.

### ♅ Uranus · solar H6 rul. \* Sextile ♃ natal Mercury

Right now your mind is unusually **quick to spot patterns and make unexpected connections** between ideas that normally seem separate. You find yourself asking better questions in conversations and coming up with solutions that feel genuinely original rather than recycled. Over the coming weeks, this clarity gives you real confidence to speak up in meetings or try explaining something you've been hesitant to tackle before.
