KEY TRANSIT FACTORS

♃ Jupiter ☾ Semi sextile ♆ natal Neptune · Monday 30 Dec ★

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

♀ Venus * Sextile ☿ natal Mercury · Monday 30 Dec ★

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

♃ Jupiter ♂ Conjunction ♃ natal Jupiter · Tuesday 31 Dec

Over the coming weeks, you're likely to feel **more confident in your own judgment** and less interested in playing it safe. You may take on bigger projects, spend more freely, or expand your social circle without the usual second-guessing. This is when luck tends to favour people who actually move forward instead of waiting, so your timing for starting something new is genuinely better right now.

♄ Saturn ☐ Square ♁ natal Uranus · Monday 30 Dec

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

♁ Uranus ☿ Quincunx ♇ natal Pluto · Monday 30 Dec

You feel an odd restlessness about situations you thought you had under control, and you're picking up on small details that suddenly seem important. Your impulse is to shake things up or take back power, but the timing never quite feels right, leaving you **frustrated by your own hesitation**. Over the coming weeks, small adjustments to your approach will work better than any dramatic move.

♄ Saturn ♂ Conjunction ♁ natal NNode · Monday 30 Dec

These days you're noticing that your social circle is shrinking or becoming more selective. You feel less interested in people-pleasing and more willing to drop relationships that don't feel genuine. This shift toward **honest evaluation of your connections** will likely continue over the coming weeks as *Saturn* tightens its grip on your *North Node*.

♆ Neptune △ Trine ☉ natal Sun · Sunday 5 Jan

While this lasts, you feel more **comfortable being yourself around others** without needing to explain or defend who you are. People seem to understand you more easily right now, and conversations flow naturally because you're not trying so hard to fit in. This is a good time to express creative ideas or talk about what actually matters to you, since your words carry a gentler weight that draws people in.

♁ NNode ♂ Opposition ♃ natal Jupiter · Sunday 5 Jan

Over the coming weeks, you are likely to feel **blocked when you try to expand or take on more**. You want to say yes to opportunities, but practical limits keep showing up, which can feel frustrating and limiting. This tension between your appetite for growth and what is actually available right now is real, and working within those boundaries rather than fighting them will serve you better.

♅ Uranus ☿ Quincunx ♆ natal Neptune · Monday 30 Dec

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♄ Chiron ☿ Opposition ♇ natal Pluto · Sunday 5 Jan

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.
