KEY TRANSIT FACTORS

♇ Pluto △ Trine ☉ natal Sun

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

♄ Chiron * Sextile ♊ natal NNode

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

♅ Uranus qx Quincunx ♀ natal Venus

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

♃ Jupiter □ Square ☾ natal Moon

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

♅ Uranus □ Square ♅ natal Uranus

Over the coming weeks, you'll feel unusually **restless and impatient with your current life setup**, even if things were working fine before. You'll question decisions you made years ago and feel a strong urge to change something, anything, but you won't have a clear idea of what actually needs to change. This frustration can push you toward reckless choices or sudden disruptions if you act without thinking, so the real challenge right now is to sit with the discomfort instead of breaking things just to feel different.

☿ Mercury Rx · ♈ Aries

Communication gets impulsive and then regretted during this period. You may speak before thinking, send messages in haste, or make decisions based on incomplete information. Revisiting plans rather than rushing forward is more productive than it feels right now.

☾ Sun ☿ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

☾ Sun ♂ Conjunction ♄ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.

☾ Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

LUNAR DAY

Moon in ♐ Sagittarius · Day 19 / 30 · Waning Gibbous

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
