KEY TRANSIT FACTORS

♁ NNode ∟ Semi sextile ♄ natal Chiron ★

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

♁ NNode qx Quincunx ♅ natal Uranus ★

Your usual way of handling change feels awkward right now, like your instinct for independence is out of sync with what you actually need to do. You might notice yourself wanting to break free from something at the same time you're supposed to be working within a system or commitment. **The mismatch between your need for freedom and your practical obligations** creates low-level friction that makes decisions harder than they should be, and this typically settles down over the coming weeks.

♀ Venus ✱ Sextile ♆ natal Neptune

You find it easier to be **gentle and accepting** with people right now, even when they disappoint you. Your *Venus* sextile to your *Neptune* makes you more forgiving and less likely to hold grudges over small slights. This softness in how you treat others tends to make your relationships feel safer and more connected over the coming weeks.

♄ Chiron ☌ Opposition ♆ natal Neptune

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

♄ Saturn ☌ Conjunction ♅ natal Uranus

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

♃ Jupiter Rx · ♋ Pisces

Spiritual, creative, and compassionate expansions slow and turn inward right now. Beliefs about meaning, forgiveness, and transcendence that felt clear may now seem uncertain. Deeper honesty about what you genuinely believe rewards you more during this period than what feels comforting to think.

☉ Sun ☌ Opposition ♃ Jupiter

Right now you are more likely to overcommit and say yes to things you cannot actually do. Your confidence is high but your realistic assessment of time and resources is low, which creates practical problems down the line. The gap between what you promise and what you deliver becomes **harder to hide**, and people around you start to notice the disconnect.

☉ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

☉ Sun ∟ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

LUNAR DAY

Moon in ♓ Pisces · Day 17 / 30 · Full Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
