KEY TRANSIT FACTORS

♁ Lilith ♂ Conjunction ♀ natal Venus

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

♃ Jupiter ☐ Square ☿ natal Mercury

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♄ Saturn ♂ Opposition ☿ natal Mercury

Right now your thinking feels slower and more cautious than usual, as though you have to work harder to organize your thoughts or explain yourself clearly. You may notice **self-doubt creeping into conversations** where you normally feel confident, or find yourself second-guessing decisions you would have made quickly before. Over the coming weeks, this friction can actually sharpen your communication if you sit with the discomfort instead of rushing through it.

♁ Lilith ♂ Conjunction ♂ natal Mars

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♀ Venus * Sextile ♆ natal Neptune

You find it easier to be **gentle and accepting** with people right now, even when they disappoint you. Your *Venus* sextile to your *Neptune* makes you more forgiving and less likely to hold grudges over small slights. This softness in how you treat others tends to make your relationships feel safer and more connected over the coming weeks.

☉ Sun ☐ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

» Moon * Sextile ☿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

LUNAR DAY
