KEY TRANSIT FACTORS

♂ Mars △ Trine ♁ natal Uranus ★

Right now you're willing to take risks in practical ways that normally feel too uncomfortable, and it's working out. You act on unconventional ideas quickly without overthinking them, and this **decisive independence** is getting real results. Over the coming weeks, trust that your instinct to break routine and try something different is actually reliable, not reckless.

♂ Mars * Sextile ♁ natal Chiron ★

Over the coming weeks, you find it easier to **talk directly about past hurts without getting defensive**. You have more patience for difficult conversations and can explain what went wrong without blaming yourself or others. This is a good time to address old wounds with people you care about because your words land differently right now.

☉ Sun □ Square ♄ natal Saturn ★

Right now you're bumping up against your own limits, and it feels frustrating rather than motivating. You notice **resistance from authority figures or self-doubt blocking what you want to do**, and pushing harder only makes the friction worse. These few weeks ask you to slow down and work within real constraints instead of fighting them.

♇ Pluto qx Quincunx ☾ natal Moon

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

♀ Venus ♂ Conjunction ☿ natal Mercury

Right now you find it much easier to say what you actually think, and people respond well to your words. You're more **relaxed and charming** when you talk, which makes conversations feel natural instead of forced. Over the coming weeks, this is a good time to have conversations you've been putting off, since you'll handle them with more grace than usual.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun \angle Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.
