KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

♀ Venus * Sextile ♁ natal Chiron ★

Right now you find it easier to be kind to yourself about your past mistakes and insecurities. You're more likely to **accept your own flaws without harsh judgment** and actually mean it. This shift makes it simpler to have honest conversations with people you care about, since you're not defending yourself or hiding anymore.

♀ Venus △ Trine ♅ natal Uranus ★

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

♃ Jupiter ∟ Semi sextile ♊ natal NNode

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

☾ Moon □ Square ♊ natal NNode

Right now you feel caught between what you want emotionally and what you know you should be doing with your time. You become **restless and impatient** with routines or commitments that once felt important, which makes it hard to focus on practical tasks. Over the coming weeks, expect friction between your immediate feelings and your longer-term direction until this lunar moment passes.

♇ Pluto qx Quincunx ☾ natal Moon

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

♿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

♃ Jupiter Rx · ♋ Pisces

Spiritual, creative, and compassionate expansions slow and turn inward right now. Beliefs about meaning, forgiveness, and transcendence that felt clear may now seem uncertain. Deeper honesty about what you genuinely believe rewards you more during this period than what feels comforting to think.

☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☌ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

LUNAR DAY

Moon in ♏ Scorpio · Day 1 / 30 · New Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
