KEY TRANSIT FACTORS

♃ Jupiter ☌ Quincunx ☾ natal Moon

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

♄ Saturn ☌ Conjunction ☉ natal Sun

You feel a pull toward **taking things seriously** and cutting away what doesn't matter, making decisions now that you've been avoiding for months. Your tolerance for distraction drops, and you're less interested in social obligations or people-pleasing, which can feel isolating but also clarifying. Over the coming weeks, you may feel heavier or more responsible for your choices, and this weight often leads to practical changes you actually stick with.

♊ NNode ☌ Semi sextile ♊ natal NNode

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

☉ Sun ☌ Conjunction ♆ natal Neptune

Right now you're more **drawn to imagination and possibility than to facts**, which can make practical tasks feel boring or pointless. You might find yourself daydreaming at work, losing track of time, or making decisions based on how something feels rather than what actually makes sense. These few weeks are a good time to create or reflect, but a poor time to sign contracts or commit to concrete plans without checking the details twice.

♂ Mars ☌ Square ☉ natal Sun

Right now you're running into **friction between what you want to do and what you actually have the energy for**. People around you might feel your impatience or see you push too hard on small disagreements that normally wouldn't bother you. This restless mood will fade in a few weeks, but for now you need to notice when you're forcing things instead of letting them happen naturally.

☉ Sun ☌ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

♿ Mercury * Sextile ♃ Jupiter

These days your thinking feels clearer and you naturally find words that actually land with people instead of causing friction. You're picking up on details you'd normally miss, and your mind keeps making useful connections between different ideas. This is a good time to have important conversations, write something down, or pitch an idea because people are listening with an open mind right now.

♀ Venus ♂ Conjunction ♃ Jupiter

Right now you are more **generous with money and attention**, and you want to spend time with people who matter to you. This is a practical window where saying yes to social invitations or spending on something you want feels natural and easy. *Venus* and *Jupiter* together tend to open people up, so expect others around you to be warmer and more willing to help.

LUNAR DAY

Moon in ♒ Aquarius · Day 10 / 30 · First Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
