KEY TRANSIT FACTORS

♅ Uranus ☿ Quincunx ♇ natal Pluto

You feel an odd restlessness about situations you thought you had under control, and you're picking up on small details that suddenly seem important. Your impulse is to shake things up or take back power, but the timing never quite feels right, leaving you **frustrated by your own hesitation**. Over the coming weeks, small adjustments to your approach will work better than any dramatic move.

☾ Moon ☉ Opposition ♁ natal Chiron

These days you are **more aware of old hurts** that usually stay quiet, and your mood swings make them feel sharper than usual. You may find yourself irritable with people who remind you of past disappointments, or withdrawing because talking about what bothers you feels too raw right now. This temporary sensitiveness is not pleasant, but it's showing you exactly where your defenses are thickest so you can work with them once this period passes.

♆ Neptune ☉ Conjunction ☿ natal Mercury

Right now your thinking feels **less sharp and more scattered** than usual, and you may notice yourself forgetting details or mixing up what people actually said. Your mind is working slower on practical tasks, so deadlines feel harder to hit and decision-making takes longer. These days it helps to write everything down and double-check facts before you act on them.

♀ Venus ☉ Conjunction ♆ natal Neptune

You may find yourself **drawn to people who seem more interesting or attractive than they actually are**, and it takes real effort to see them clearly right now. Your taste in music, art, or aesthetics becomes softer and more sentimental while this lasts, which can feel pleasant but also make you less critical. Over the coming weeks, check in with yourself about whether your feelings match reality or if you are filling in blanks with what you hope to find.

☾ Moon △ Trine ♂ natal Mars

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

♄ Saturn Rx · ♋ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun * Sextile ♃ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun ☌ Opposition ♄ Saturn

Right now you feel **blocked by rules and criticism** when you try to move forward on something that matters to you. Authority figures or your own strict inner voice push back against what you want to do, making you doubt whether you deserve to succeed. This friction is real and uncomfortable, but it forces you to build something solid instead of rushing ahead on ego alone.

LUNAR DAY

Moon in ♋ Cancer · Day 26 / 30 · Last Quarter

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
