KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ♇ natal Pluto ★

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

♆ Neptune ☿ Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♂ Mars ♂ Conjunction ♁ natal Lilith

Right now you're more **willing to push back against rules that feel unfair**, especially in situations where you've been quiet before. You might argue with authority figures, challenge expectations at work, or speak up about what you actually want instead of going along with what others prefer. This directness can clear the air or create friction depending on how you handle it.

♁ NNode ♂ Opposition ♃ natal Jupiter

Over the coming weeks, you are likely to feel **blocked when you try to expand or take on more**. You want to say yes to opportunities, but practical limits keep showing up, which can feel frustrating and limiting. This tension between your appetite for growth and what is actually available right now is real, and working within those boundaries rather than fighting them will serve you better.

♀ Venus ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you become **more open to what people need from you emotionally**, and you notice others respond better to you because of it. Your usual defenses soften just enough that you can listen without jumping to fix things, which makes conversations feel easier and more natural. This is a good time to deepen connections with people you care about, since you're genuinely present rather than distracted by your own concerns.

☉ Sun ∟ Semi sextile ♃ natal Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun * Sextile ♃ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

LUNAR DAY

Moon in ♐ Sagittarius · Day 29 / 30 · Waning Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Pisces

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
