## KEY TRANSIT FACTORS

### ☉ Sun ∟ Semi sextile ☾ natal Moon

These days you find it easier to **say what you actually feel** instead of keeping things bottled up. Your emotional needs and what you want to communicate are working together smoothly, so people around you are more likely to hear you out. This is a good window to have conversations you have been putting off or to express something that matters to you.

### ♇ Pluto \* Sextile ☉ natal Sun

Over the coming weeks, you feel more **willing to take control of situations** that have felt stuck or out of your hands. Your sense of what you actually want becomes clearer, and you find yourself making decisions with less doubt than usual. This period supports real change in your life, especially when you stop waiting for permission and start acting on what matters to you.

### ♃ Jupiter \* Sextile ♁ natal NNode

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

### ♁ Chiron ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you may notice that **your intuition about other people becomes more reliable**, especially when someone needs practical help or honest advice. Your ability to listen without judgment improves, and people often feel safer opening up to you during this period. This natural compassion paired with clear thinking helps you offer genuine support that actually makes a difference in someone's life.

### ♆ Neptune ☐ Square ♆ natal Neptune

You're finding it harder right now to trust your own judgment about what's real and what you're imagining. Your sense of direction—both practical and psychological—feels foggy, and you may catch yourself **making decisions based on wishful thinking rather than facts**. These days your instinct to escape or avoid difficult situations is stronger than usual, and giving in to that impulse will only create more problems down the line.

### ♂ Mars Rx • ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

### ☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

### ☾ Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

## LUNAR DAY

Moon in ♑ Capricorn · Day 27 / 30 · Waning Crescent

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
